

**VELSICOL®**

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
WARNING**

May be fatal if swallowed. Do not breathe vapor, fumes, dust or spray mist. Do not get on skin. Do not contaminate feed or foodstuffs.

Wash thoroughly with soap and water after handling and before eating or smoking. Clean clothing should be used daily. Wear clean synthetic rubber gloves and a pesticide respirator jointly approved by the Mining Enforcement and Safety Administration (formerly the U. S. Bureau of Mines) and by the National Institute for Occupational Safety and Health under the provisions of 30 CFR Part 11.

A committee of the National Academy of Sciences has stated that

"There are no adequate data to show that these compounds are carcinogenic in humans, but because of their carcinogenicity in certain mouse strains and the extensive similarity of the carcinogenic action of chemicals in animals and in humans, the committee concluded that chlordane, heptachlor, and or their metabolites may be carcinogenic in humans.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish and wildlife. Do not discharge into lakes, streams, ponds or public waters unless in accordance with a National Pollution Discharge Elimination System Permit. For guidance contact your regional office of the Environmental Protection Agency.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

The user is solely responsible for determination of suitability of the use of this product for any specific purpose, any manufacturing practice employed and adoption of such safety precautions as may be necessary.

**STORAGE AND DISPOSAL**

**1. Prohibitions**

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Open dumping is prohibited.

**2. Pesticide Disposal**

Pesticide, spray mixture or rinse water that cannot be used or chemically processed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

**3. Container Disposal**

**Less than 30 gallons:** Triple rinse, and offer for recycling, reconditioning, or disposal in approved landfill, or bury in a safe place.

**30 Gallons or larger:** Reseal container and offer for reconditioning

or

Triple rinse and offer for recycling, reconditioning or disposal in an approved landfill, or bury in a safe place.

**4. General**

Consult federal, state or local disposal authorities for approved alternatives.

## PRECAUTIONARY STATEMENTS FOR HUMANS AND DOMESTIC ANIMALS WARNING

Avoid contact with vapor, fumes, dust, or spray mist. Do not get on skin. Do not

eat, drink, or smoke during handling and before eating or smoking. Clean clothing should be washed in hot water without gloves and a pesticide respirator jointly approved by the Mining Safety and Health Administration (formerly the U. S. Bureau of Mines) and by the National Institute for Occupational Safety and Health. See the provisions of 30 CFR Part 11.

Research has stated that

these compounds are carcinogenic in humans, but because of the extensive similarity of the carcinogenic action of these compounds, a committee concluded that chlordane, heptachlor, and/or their derivatives are also carcinogenic.

## ENVIRONMENTAL HAZARDS

Do not discharge into lakes, streams, ponds or public waters unless you have a Discharge Elimination System Permit. For guidance contact your local Environmental Protection Agency.

## DIRECTIONS FOR USE

Use in a manner inconsistent with its labeling.

Determine the suitability of the use of this product for any specific application and adoption of such safety precautions as may be required.

## STORAGE AND DISPOSAL

Do not store, dispose or clean up equipment. Open dumping is prohibited.

Containers that cannot be used or chemically processed should be disposed of in a safe place away from water supplies.

For recycling, reconditioning, or disposal in approved landfill.

Do not offer for reconditioning or disposal in an approved landfill, or bury in a safe place.

Contact your local authorities for approved alternatives.
