VELSICOL CHEMICAL CORPORATION

341 East Ohio Street, Chicago, Illinois 60611

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Hazardous when used in accordance with label directions. Avoid breathing dust or fumes. Wash hands thoroughly after use. Avoid contact with food and feedstuffs. Keep out of the reach of children.

Accumulation of the National Academy of Sciences that

There is inadequate data to show that these compounds are carcinogenic to humans, but because of their carcinogenicity to other animals and the extensive similarity of the carcinogenicity of these compounds to humans, the committee concluded that they should be considered as potential carcinogens.

ENVIRONMENTAL HAZARDS

Chlordane is highly toxic to birds, fish, and aquatic insects. It is also highly toxic to bees. Do not apply when bees are flying over the treated area. Do not apply when birds are nesting. Do not apply to water bodies.

DIRECTIONS FOR USE

Apply to citrus groves in the State of Texas. Do not apply to other crops. Do not apply to citrus groves in other states. Do not apply to citrus groves in the State of Texas.
