

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

WARNING

May be fatal if swallowed! Do not breathe vapors. Do not get on skin. Do not contaminate feed or foodstuffs.

Wash thoroughly with soap and water after handling and before eating or smoking. Clean clothing should be used daily. Wear clean synthetic rubber gloves and a pesticide respirator jointly approved by the Mining Enforcement and Safety Administration (formerly the U.S. Bureau of Mines) and by the National Institute for Occupational Safety and Health under the provisions of 30 CFR Part 11.

A committee of the National Academy of Sciences has stated that:

"There are no adequate data to show that these compounds are carcinogenic in humans, but because of their carcinogenicity in certain mouse strains and the extensive similarity of the carcinogenic action of chemicals in animals and in humans, the committee concluded that chlordane, heptachlor, and/or their metabolites may be carcinogenic in humans."

ENVIRONMENTAL HAZARDS

This product is toxic to fish, wildlife, and birds. Do not discharge into lakes, streams, ponds or public waters unless in accordance with a National Pollution Discharge Elimination System Permit. For guidance contact your regional office of the Environmental Protection Agency.

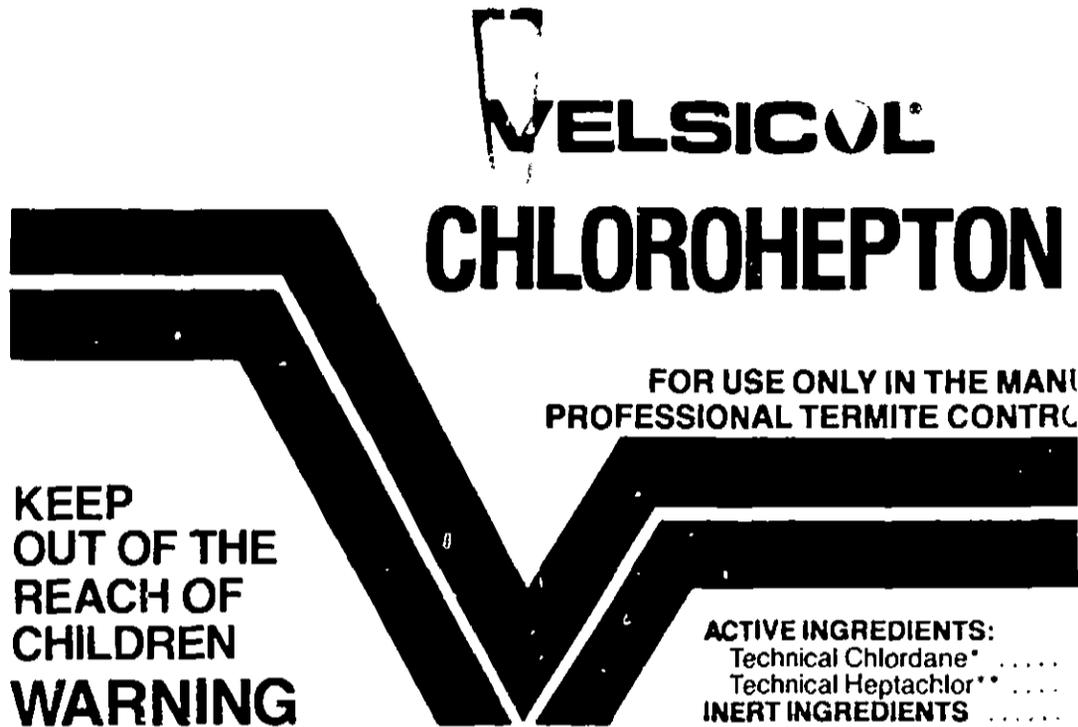

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This insecticide is for use only in the formulation of products for use in the control of termites by professional applicators only.

The producer of these products may be responsible for providing data to support the registrations.

E.P.A. Reg. No. 876-308
E.P.A. Est. No. 876-TN-1

ACTIVE INGREDIENTS:
Technical Chlordane*
Technical Heptachlor**
INERT INGREDIENTS
TOTAL

*Equivalent to 29.4% octachloro-4,7-methano-1,2,3,4,5,6,7,8-heptachlorocyclohexane related compounds.
**Equivalent to 26.3% heptachlorotetrahydro-4,7-dioxepin-2-one related compounds.

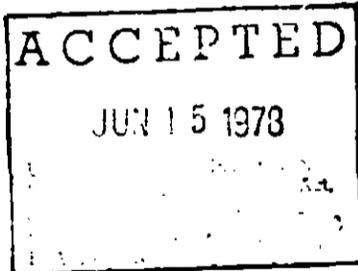

NET CONTENTS: 55 G

STATEMENT OF PRACTICAL TREATMENT

INTERNAL—Emetic of 1 tablespoonful mustard in tumbler of warm water.
EXTERNAL—In case of spillage on skin, wash promptly with soap and water.

Manufactured for
Dettelbach Pesticide Corporation
Atlanta, Georgia
and
Cre-O-Tox
Memphis, Tennessee

STORAGE AND DISPOSAL

1. Prohibitions

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Open dumping is prohibited.

2. Pesticide Disposal

Pesticide, spray mixture or rinse water that cannot be used or chemically processed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

3. Container Disposal

SIZE	METAL CONTAINER
Less than 30 gallons	Triple rinse, and offer for recycling, reconditioning, or disposal in approved landfill, or bury in a safe place
30 gallons or larger	Reseal container and offer for reconditioning OR Triple rinse and offer for recycling, reconditioning or disposal in an approved landfill, or bury in a safe place

4. General

Consult Federal, state or local disposal authorities for approved alternatives.

NOTICE: Because Velsicol Chemical Corporation has no control over storage, handling, and conditions of use which are of critical importance, Velsicol Chemical Corporation makes no representation or warranty, either expressed or implied, for results or residues greater than any tolerance which may be established by appropriate governmental agencies, due to misuse, improper handling or storage of this material. Nor does Velsicol Chemical Corporation assume any responsibility for injury to persons, crops, animals, soil or property arising out of misuse, improper handling or storage of this material. The exclusive remedy of the user or buyer and the limit of liability of this company or any other seller for an, and all losses, personal injuries, illness or property damage resulting from the purchase, handling, storage, sale, or use of this product alone or in combination, shall be the purchase price paid by the user or buyer for the quantity of this product involved. Buyer or user assumes all other risks of liability.
