

[891-100]

**DIRECTIONS FOR USE**

Skin applications for mosquitos, biting flies, gnats, and fleas: Hold unit 6 to 8 inches from skin or clothing while applying. Slightly moisten surface with slow sweeping motion—saturation is not necessary. **To apply to face**: Spray in palm of hand in short bursts and spread on face and neck, except near eyes and mouth.

Clothing treatments against biting insects such as chiggers (mites), fleas, and ticks: Spray shirts, stockings, and hats. For ticks and chiggers also spray pant cuffs, socks, and around openings in outer clothing. Will not damage nylon, cotton, and wool. Do not apply to rayon, spandex, Dynel, or Verel.

**CAUTION:** For External Use Only. Harmful if swallowed. Avoid contact with eyes or lips.

**WARNING:** Flammable! Contents under pressure. Do not use near fire, sparks, or flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not expose treated surfaces near fire or flame.

May damage furniture finishes, plastics, and painted surfaces.
