

to be used in its original packaging. Do not use in automatic edgers which
do not have a reservoir of oil on the rubber rollers. Reservoirs should be
checked regularly for oil level and refilled as needed or replaced.

Do not use within 100 yards of slaughter of livestock.

Label:

The instructions for use and other statements appearing on this label
are based on reliable research and are believed to be appropriate under proper
conditions of use. However, no guarantee of their accuracy is made because we
cannot control the conditions under which the product is used. We, therefore,
make no warranty or representation, express or implied, concerning this material
or its use, except that it conforms to the chemical description on the label.
Official tolerances have been set for residues for pesticidal materials on
certain agricultural commodities. Copies of these official regulations should
be available from your County, State or Federal agricultural agencies. It is
important that this product be used at times and by methods of application
which will avoid excessive residues.
