

For use in water-cooling towers for control of algae, add 1 pint of this product per 1,000 gallons of contained water as often as required by visual inspection, generally once per week in summer, less frequently in winter.

Treated effluent waters may be harmful to fish and other aquatic life.

Do not add to water supplies that may be used for drinking purposes.

Keep container closed. Keep away from heat or open flame.

If spray is used, avoid breathing spray mist.

Rinse empty container thoroughly with water and discard it.

May cause skin irritation. Wash thoroughly after using. Avoid contact with skin, eyes, or clothing. In case of contact, wash with soap and plenty of water. If product comes in contact with eyes, flush with water for at least 15 minutes and get medical attention.
