WILMINGTON, DELAWARE 19899

For the applications shown below, apply Hercules® 80L Pine Oil Disinfectant with cloth, sponge, brush, or mop. Wet surfaces thoroughly with the recommended use dilution. Rinse.

KITCHEN — Use ¼ cup (2 oz.) of Hercules 80L Pine Oil Disinfectant per gallon of water for cleaning hard surfaces of stoves, sinks, counter tops, and appliances. Wipe with clean water. Cleans, disinfects, and deodorizes.

BATHROOM — Cleans, disinfects, and deodorizes bathtubs, shower stalls, sinks, and exterior toilet bowl surfaces. Use ¼ cup (2 oz.) of Hercules 80L Pine Oil Disinfectant per gallon of water for cleaning bathtubs, shower stalls, and sinks. Add ¼ cup (2 oz.) full strength Hercules 80L Pine Oil Disinfectant to deodorize toilet bowls.

LAUNDRY — As a detergent supplement, add 1 cup (8 oz.) Hercules 80L Pine Oil Disinfectant to your usual soap or detergent to leave your laundry fresh smelling and extra clean. Heavily soiled areas, such as shirt collars, should be spot-treated with full strength Hercules 80L Pine Oil Disinfectant before laundering.

DIAPERS — Soak baby's soiled diapers in water containing ¼ cup (2 oz.) Hercules Pine Oil Disinfectant per gallon. Reduces odor and improves laundering.

✓ **NURSERY** — Washing with ¼ cup (2 oz.) Hercules 80L Pine Oil Disinfectant per gallon of water will leave baby's crib and toys clean and sanitary. Wipe with clean water.

PET CARE — Lather animal with soap first. Then wash, using 3 tablespoons of Hercules 80L Pine Oil Disinfectant per gallon of water. Keep out of pet's eyes. Rinse well. Removes animal odor. Also for kennels.

✓ **WORKSHOP** — For cleaning paintbrushes, flush well with ¼ cup (4 oz.) Hercules 80L Pine Oil Disinfectant per pint of water immediately after use. To soften hard brushes, soak in full-strength Hercules 80L Pine Oil Disinfectant.

AUTOMOBILES AND BOATS — For cleaning, apply full-strength Hercules 80L Pine Oil Disinfectant to automobile whitewalls and chrome. Scrub and rinse. For boats, use ¼ cup (2 oz.) Hercules 80L Pine Oil Disinfectant per gallon for topside and bottom cleaning. To reduce odors in head and holding tank, add 1 oz Hercules 80L Pine Oil Disinfectant to toilet bowl.

CLOSETS, ATTICS, BASEMENTS — Use ¼ cup (2 oz.) Hercules 80L Pine Oil Disinfectant per gallon of water for walls and floors.

FARMS (LIVESTOCK SHELTERS) — Washing with ¼ cup (2 oz.) Hercules 80L Pine Oil Disinfectant per gallon of water will reduce livestock odors and leave shelter clean-smelling and sanitary. For farm use, follow this procedure: (1) Remove animals from premises, along with their feed. (2) Remove litter and droppings from floor, walls, and other surfaces. (3) Empty all troughs, racks, and other watering and feeding devices. (4) Apply recommended Hercules 80L Pine Oil Disinfectant solution to surfaces to be treated. (5) Ventilate premises. Do not replace animals or equipment until treated surfaces are dry or have been rinsed. (6) All feeding and watering devices exposed to treatment must be thoroughly rinsed with potable water prior to reuse.

RINSE EMPTY CONTAINER THOROUGHLY WITH WATER BEFORE DISCARDING.

HARMFUL IF SWALLOWED. If swallowed, do not induce vomiting but call a physician. Vomiting may be harmful. Keep out of eyes. May cause eye damage or skin irritation. If contact with eyes occurs, flush with water immediately. Get medical attention. Avoid contamination of food.
