DIRECTIONS FOR USE

GENERAL CLEANING: Add 1/4 cup (2 oz) Hercules® F.P.O.D. per gallon of water for floors, woodwork, bathroom fixtures, ashtrays, furnishings, garbage cans, and other environmental surfaces. Use mop, cloth, sponge, or brush as applicator. Wet surfaces thoroughly. Rinse with potable water. Cleans, disinfects, and deodorizes.

KITCHEN: Use 1/4 cup (2 oz) of Hercules F.P.O.D. per gallon of water for cleaning stoves, sinks, counter tops, and appliances. If used on surfaces that come into contact with food, remove edibles, utensils, and wrappings before application of Hercules F.P.O.D. Thoroughly scrub with detergent and rinse with potable water before replacing foodstuffs or utensils. Cleans and disinfects.

BATHROOM: Cleans, disinfects, and deodorizes bathtubs, shower stalls, and sinks. Use 1/4 cup (2 oz) Hercules F.P.O.D. per gallon of water. To clean and disinfect toilet bowls, flush, then add 1/4 cup (2 oz) of Hercules F.P.O.D.

DIAPERS: Soak soiled diapers in water containing 1/4 cup (2 oz) Hercules F.P.O.D. per gallon. Reduces odor and aids laundering.

SICK ROOMS: Use 1/4 cup (2 oz) of Hercules F.P.O.D. per gallon of water as a pretreatment for normal washing of bedding, linen, and towels. On environmental surfaces, utensils, and furniture, use 1/4 cup (2 oz) of Hercules F.P.O.D. per gallon of water. Rinse well. Sanitizes, disinfects, and reduces odors.

MISCELLANEOUS USES: When added to water at dilution of 2 oz per gallon, Hercules F.P.O.D. will reduce odors, remove grease and grime, reduce wax buildup, disinfect, and perform other hard cleaning jobs. Hercules F.P.O.D. will have use all through your home, and cleans, disinfects, and deodorizes in one easy application.

DANGER: Causes eye damage. May cause skin irritation. Do not get in eyes. Avoid skin contact. Protect eyes when handling concentrated product. Harmful if swallowed. Avoid contamination of food.

FIRST AID: If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Call a physician. If on skin, wash off with water. Rinse empty container thoroughly with water and discard.
