

DIRECTIONS

Hold the container 6-8 inches from area to be treated and press the button down, apply Bug Spray so as to leave a wet coating, moving the dispenser at the rate of two feet per second.

For the control of roaches, water bugs, crickets and silverfish, apply to crack around baseboards, under table tops, around pipes and openings in walls, particularly in warm, damp places.

Bug Spray leaves a residual film which continues to control crawling insects for a period of time. Repeat application as needed.

For the control of ants indoors, spray along ant trails and areas around door sills and window frames where the pests enter the premises. Repeat application until control is secured.

May be used outdoors to aid in control of flies and mosquitoes. Spray on ceiling of porches, around doors and windows, where insects may light or crawl. Control of brown dog ticks: Remove bedding and destroy. Spray sleeping quarters and localized areas and flooring, especially cracks and crevices. Replace new bedding.

CAUTION:

Contents under pressure, do not puncture or throw containers into fire or incinerators. Do not set container on stove, radiator or stove where the temperature exceeds 120° F. Do not spray into or near an open flame. Do not smoke while using.

Not to be used as a space spray.

KEEP OUT OF REACH OF CHILDREN. Avoid inhalation. Harmful if swallowed. In case of contact, wash affected parts with soap and water. Avoid prolonged or repeated contact with skin.

Do not use in commercial food preparation areas or in similar products areas of food processing plants. Avoid spraying on food or food utensils or where food is being prepared. Do not use on fish, birds or animals, or crops.

INGREDIENTS BUG SPRAY

ACTIVE INGREDIENTS

- .50% (O, O-diethyl O-(2-isopropyl-6-methyl-4-pyrimidinyl) phosphorothioate)
- .10% Pyrethrins
- .20% Technical Piperonyl Butoxide*
- .33% N-octyl Bicycloheptene Dicarboximide
- 73.87% Petroleum Distillate
- 75.00% Total active ingredients

INERT INGREDIENTS

- 25.00% Inactive ingredients
- 100.00% Total
- *Contents of .16% (butylcarbtyl) (6-propylpiperonyl) ether and .04% other related compounds.
