BUG SPRAY LIQUID

DIRECTIONS

Leaves a residue coating which controls insects in a period of time. Hold sprayer so nozzle is 6 to 10 inches from area to be treated. Apply so as to leave a wet coating, moving the sprayer as you spray. Repeat application as needed.

To kill roaches, ants, waterbugs, silverfish, spiders, earwigs, crickets and earwigs (in the house). Spray around base of walls, under table tops, moist areas and openings in walls around base and particularly in warm damp places. Recommended for use in schools, day homes, public and institutional buildings.

As an aid in reducing annoyance of flies, mosquitoes, gnats and flying moths: Spray outside surfaces of doors, window frames, ceiling of porch, around light fixtures and other areas where these insects alight or crawl.

Leaves a Killing Residue

CAUTION:

Avoid inhalation. Avoid prolonged and repeated contact with skin. Wash thoroughly with soap and water. For clothing: Remove immediately and wash clothing before re-using, wash affected skin area. Do not spray on pets, humans, vegetation, food and food containers. Remove all pets and vegetation from room before spraying. Do not use in commercial food preparation areas or in edible products areas of food processing plants.

HARMFUL IF SWALLOWED — KEEP OUT OF REACH OF CHILDREN

COMBUSTIBLE: Do not spray near sparks or open flame, do not spray towards stove. Do not smoke while spraying.

Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place.

Do not reuse empty drum. Return to drum reconditioner or destroy by perforating or crushing and burying in a safe place.

RAY LIQUID

DIRECTIONS

Controls insects in a period of time. Spray 10 inches from area to be treated. Start spraying, moving the sprayer as you spray.

Kills silverfish, spiders, centipedes, crickets, flies, wasps, and bees. Spray around baseboards, under table and chairs, in walls, around pipes and particularly around doors in schools, nursing homes, and hospitals.

Prevents infestation of flies, mosquitoes, wasps and bees. Spray around window frames, door frames, and any place where these insects enter.

Killing Residue

Wash off with water. Avoid prolonged and repeated contact with skin. For clothing: Remove immediately and wash. Wash effected skin area. Do not eat, drink, or use food and food containers. Remove room before spraying. Do not use in areas or in edible products areas of homes.

KEEP OUT OF REACH OF CHILDREN

Avoid open flames or sparks, do not spray near open flame, do not spray while spraying.

Destroy it by perforating or crushing.

Return to drum reconditioner or destroy by burying in a safe place.
