Salmonellacidal	(Hong Kong Flu	Non Abrasive
Pseudomonacidal	Virus on environ-	Fungicidal
	mental surfaces)	

Active Ingredients

n-Alkyl (60% C14, 30% C16, 8% C18, 8% C12)	
dimethyl benzyl	
ammonium chlorides	8.00%
n-Alkyl (60% C12, 32% C14) dimethyl	
ethylbenzyl ammonium chlorides	0.08%
Tetraosodium ethylenediamine	
tetracetate	1.44%
Sodium Metasilicate	0.13%
INERT INGREDIENTS	88.25%

Net Contents: 1 Quart

100.00%

For Industrial & Institutional Use By Trained Personnel Only  
TACKLE-PLUS, when used as directed on environmental surfaces, will control the following organisms.

Aspergillus niger	Enterobacter aerogenes	Klebsiella pneumoniae	Salmonella choleraesuis
Brevibacterium	Escherichia coli	Proteus vulgaris	Salmonella schottmuelleri
ammonigenes	Influenza A2	Pseudomonas aeruginosa	Shigella dysenteriae
	Staphylococcus aureus	Streptococcus faecalis	Trichophyton interdigitale

Directions: Apply evenly over surface. Wipe clean. For heavy soiled surfaces, allow to remain up to 5 minutes before wiping. To disinfect, apply on surface and allow to remain a short while. Then wipe clean. Apply again, wipe evenly with a clean damp cloth. DO NOT DRY. After using on food processing equipment and food contact surfaces, thoroughly rinse with potable water. No rinse is required on non-food contact surfaces and equipment.

To Kill Virus: TACKLE-PLUS, when used on environmental, inanimate hard surfaces, is effective against Influenza A2 (the Hong Kong Flu virus).

To Kill Fungus: TACKLE-PLUS is effective against Trichophyton interdigitale.

To Prevent Mildew: TACKLE-PLUS prevents the growth of mold and mildew on hard surfaces for seven days. Apply and clean but do not rinse. Repeat application every seven days to control recurrence of growth.

TACKLE-PLUS can also be used for removing spots from rugs and carpets. Apply to the spot, allow to remain one minute, and wipe clean. No disinfecting properties are claimed for TACKLE-PLUS when this product is used for spotting rugs.

Lead On: Counter Tops • Plastic Surfaces • Sinks • Bathtubs • Shower Stalls • Table Tops • Porcelain • Enamelled Surfaces • Leather • Leatherette • Vinyl • Plastic

**PRECAUTIONARY STATEMENTS**

- If swallowed, drink promptly a large quantity of water. Avoid alcohol. Call a physician immediately.
- If on skin, flush with water. If irritation persists, get medical attention.
- If in eyes, flush with water for 15 minutes. Call a physician immediately.
- Do not mix with soap and/or amine-based products, as it will cause loss of germicidal properties.
- It is a violation of Federal Law to use this product in a manner inconsistent with the labeling.

EPA Registration No. 892-31 EPA Est. No. 882-DH-1

**STORAGE & DISPOSAL**

Prohibitions: Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

Pesticide Disposal: Pesticide, spray mixture or residue that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

Container Disposal: Triple rinse (or equivalent) and dispose in an incinerator or landfill approved for pesticide containers or bury in a safe place.

General: Consult Federal, State or Local disposal authorities for approved alternative procedures such as limited open burning.
