CAUTION:

KEEP OUT OF REACH OF CHILDREN.

See side panel for other cautions.

CONTENTS ONE GALLON

U.S.D.A. Reg. No. 894-75

F. G. PRATT COMPANY
Paterson, New Jersey

DIRECTIONS FOR USE.

Spray infested surfaces only until wet.

ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS: Spray thoroughly into all cracks, around baseboards and other places where these insects hide. Also spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks, stoves, etc. Spray other localized areas infested with these pests. Repeat treatment as required.

CARPET BEETLES: Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelvings. Repeat as necessary.

BROWN DOG TICKS: Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Applications should be repeated as infestations warrant and as re-infestations occur. Fresh bedding should be placed in animal quarters following treatment. Do not treat animals with this formulation.

FLIES, MOSQUITOES, WASPS AND FLYING MOTHS OUTDOORS: For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight or congregate.

FLEAS, CHIGGERS, ANTS AND BROWN DOG TICKS OUTDOORS: For treatment of localized infestations of these insects in outdoor areas where there is no vegetation, spray infested areas thoroughly. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant and as re-infestations occur.

NOTICE: Neither B. G. Pratt Company nor the seller makes any representation or warranty, expressed or implied, concerning this material, except that it is of the B. G. Pratt Company's standard quality. Neither shall be held responsible in any manner for any personal injury or property damage or other type of loss resulting from the handling, storage or use of this material. The buyer accepts and uses this material on these conditions.

CAUTION.

Harmful if swallowed. Keep out of reach of children. Avoid contamination of feed and foodstuffs. Avoid breathing of spray mist and skin contact, wash thoroughly after using. Do not use on household pets or humans. Keep container closed and away from heat and open flame. Do not spray into or near open flame. Do not smoke while spraying. All processing equipment and produce should be covered, before spray treatment is made, to avoid contamination. Remove or protect foods during treatment. After spraying in food processing plants, wash with potable water all equipment benches, shelving, etc. where exposed food will be handled. Do not apply while food processing is underway. Do not let children and pets contact treated surfaces until dry.

NOTICE: This material is sold without warranty as to hazards or results.
