

REVISIONS

Approved by  
the Federal Government

Pratt's Oil Base ML Fog Spray Concentrate is a highly penetrating fogging concentrate that kills mosquitoes, flies, gnats, and other insects. It is safe for use in homes, schools, and public buildings. It is also safe for use in fogging equipment to kill flies, mosquitoes, and gnats. It is a highly effective insecticide that is safe for use in homes, schools, and public buildings. It is also safe for use in fogging equipment to kill flies, mosquitoes, and gnats.

**MOSQUITO LARVAE**

To kill mosquito larvae, fog the water in the container with Pratt's Oil Base ML Fog Spray Concentrate. This will kill the larvae and prevent them from developing into mosquitoes.
