Ms. Tommye J. Maitland  
Miller Chemical & Fertilizer Corporation  
P.O. Box 333, Radio Road  
Hanover, PA 17331

Dear Ms. Maitland:

Subject: PRATT DIAZINON® 5% Granular  
EPA Registration No. 904-202  
Your Amended Application Dated March 18, 1985  
and June 28, 1985

The amendment referred to above, submitted in connection with registration under FIFRA as amended, is acceptable provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
  - a. The bee precautions seem somewhat excessive for a granular product intended to be used by homeowners and applied to lawns. We suggest you delete the statements or justify the need for such warning. Are you aware of bee kills from use of granular diazinon products?
  - b. Modify vapors to read vapors/dust.
  - c. This product is toxic to fish and wildlife. Do not apply directly to water. Do not contaminate water by disposal of waste or cleaning of equipment. Apply this product only as specified on the label.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment.
