CAUTION

Harmful if swallowed. Contact with skin causes toxic symptoms. Avoid breathing spray mist or vapor. In case of contact with skin wash with soap and water. Avoid contamination of feed and foodstuffs. Do not use or store near heat or open flame.

This product is poisonous to fish and wildlife. Keep out of any body of water. Do not apply when weather conditions favor drift of spray from area treated. Do not use where runoff may occur as a result of heavy rain.

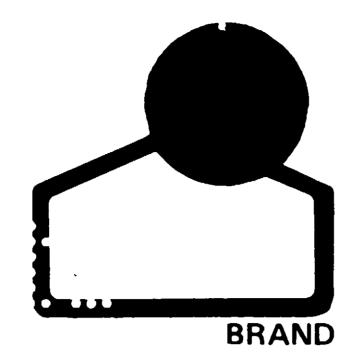

Clean application equipment and dispose of containers, rinse solutions, wastes, and unused chemical by burying in non-cropland away from water supplies.

Use only in compliance with the limitations, cautions and warnings stated on this label.

Keep children and pets off treated grass and turf until the insecticide has been washed off the grass and into the soil, either by adequate rainfall or thorough sprinkling, and the grass has completely dried. Do not feed or graze grass from treated areas to livestock or poultry. Do not use grass from treated areas for hay. Birds feeding over treated lawn or ornamental turf may be harmed.
