

**WEED  
KILLER**  
"FAMOUS 2,4-D"

**TRIPLE X**

For  
**LAWN WEEDS**  
NO MIXING OR MESS.  
JUST SPRINKLE IT ON  
AND WEEDS ARE GONE.

## DIRECTIONS

No Sprayer Necessary  
Will Not Harm Most Common Lawn Grass  
When Used As Directed

Water lawn thoroughly. Then apply RED DEVIL Weed Killer by broadcasting lightly over lawn or shaking it sparingly over weed patches. A little RED DEVIL Weed Killer goes a long way. Do not use too much. A very light coating is sufficient. Repeat when new weeds appear and until all weeds are completely controlled. Contents of this can will cover a lawn of approximately 500 square feet.

### ACTIVE INGREDIENT

Sodium 2,4-dichlorophenoxyacetate anhydrous 5.5%

### INERT INGREDIENTS

2,4-D acid equivalent 94.5%

For use in the control of dandelions, cats ear dandelion, Buckhorn plantain, Broad leaf plantain, buttercup, heal-all, Money wort, Penny wort, Speedwell, Henbit, Jap clover, Gill-over-the-ground and other broad leaf weeds. CAUTION: Do not allow RED DEVIL Weed Killer to drift onto adjacent flowers, ornamentals or shrubs. A very small amount may temporarily stop growth of these plants. Use with caution on bent grass and clovers as these may be injured. Do not store near fertilizers, seeds, insecticides or fungicides. Do not apply on newly seeded lawns or on dichondra lawns.

Guarantee Effective for purpose claimed. 2,4 D Acid equivalent 5%. Seller's guarantee shall be limited to the terms of the label and, subject thereto, the buyer assumes any risk to persons or property arising out of use or handling, and accepts the product on these conditions. Registration No. 4837 P. C. P. Act
