Winthrop

Sebbatix^{T.M.}

Three agents blended in a lathering shampoo base provide broad-spectrum insecticidal activity.

Kills Fleas, Lice, and Ticks

Cleans and Conditions the Hair Coat

DIRECTIONS: Rinse the entire hair coat thoroughly with warm water to remove water-soluble deposits and loose soil. Massage the hair coat and skin thoroughly with sufficient SEBBATIX to produce an adequate cover of lather over the entire body surface. Allow lather to stand undisturbed for 5 minutes. Rinse the hair coat and skin thoroughly with warm water and dry.

Do not treat puppies or kittens under 4 weeks of age.

Rinse empty container thoroughly with water and discard it.

This product is toxic to fish. Keep out of lakes, streams, or ponds. Apply this product only as specified on this label.
