Attention: Herb Hankel  
Chief Chemist

Gentlemen:

Subject: Response to PR Notice 87-6 for Clippercide  
EPA Registration No. 954-10  
Your Submission Dated August 1, 1988

This is in response to your resubmission regarding the amendment of the labeling for the subject product in accordance with PR Notice 87-6.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable in fulfilling our requirements in regard to PR Notice 87-6 provided that the following revisions are made before the product is released for shipment bearing the amended labeling:

- Separate the physical or chemical hazards from the human hazards and revise the precautionary statements somewhat as follows:

Precautionary Statements  
Hazards to Humans or Domestic Animals  
WARNING

Avoid contact with eyes. Avoid breathing spray mist. In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Call a physician immediately.

Physical or Chemical Hazards

Contents under pressure. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120 °F (49 °C).

S-88-1855 CLIPPERCIDE SPRAY 211-5996

SW

ORANGE BLACK

# CLIPPERCIDE SPRAY

**DISINFECTS & LUBRICATES:** Powerful disinfecting and fungicidal action takes place on contact. A thin film of lubricant remains behind to reduce friction and permit clipper to run smoother and more powerfully.

**CLEANS & COOLS:** The CLIPPERCIDE blast blows hair and dirt out from between the teeth, cleaning and at the same time cooling the blades.

**LONGER LIFE:** Regular use of CLIPPERCIDE will help give clipper blades longer cutting life, will keep blades sharper with crisper cutting action.

## DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Hold can upright. Spray CLIPPERCIDE through teeth of clipper blades covering all surfaces after each use. Electric clippers may be kept running while CLIPPERCIDE is being sprayed.

Keep clipper blades or clippers with attached blades in clean compartment until next use.

**WARNING:** Contents under pressure. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F. (49°C). Keep out of reach of children. Avoid contact with eyes. In case of contact, immediately flush eyes with plenty of water for at least 15 minutes and call a physician. Avoid breathing spray mist. Avoid prolonged skin contact.
