**DIRECTIONS**

Lebanon FRUIT AND BERRY SPRAY is an effective Insecticide-Fungicide formula to control the insects and diseases of Fruits listed below.

**NOTE**—Spray thoroughly, covering both sides of all leaves, branches and the trunk on a regular program.

**TO MIX**

4½ level tablespoonfuls makes 1 gallon spray  
11 oz. size makes 11 gallon spray

<p><b>APPLES AND PEARS:</b> Make first application when leaves begin to show. Continue at 7 day intervals until tree begins to bloom. Additional sprays should be made at Petal Fall—7 days later, and then repeated at two week intervals until 7 days before harvest.</p>	<p>Aphids, Mites, Japanese Beetles, Spittle Bugs, Cankerworms, Red Spiders, and leafhoppers, Scab, Botrytis rot, frog-eye leaf spot.</p>
<p><b>PEACHES, CHERRIES, APRICOTS AND PLUMS:</b> Apply first spray when blossoms first begin to show pink; spray again when petals fall and thereafter every 7-10 days until 21 days before harvest. (If a later application is needed for Fruit Rot, use Captan 50% Wettable Powder alone, but not within 3 days of picking. Remove residue at harvest by washing or other effective means.)</p>	<p>Aphids, Mites, Japanese Beetles, Spittle Bugs, Cankerworms, Red Spiders and Leafhoppers, Brown rot, leaf spot.</p>
<p><b>STRAWBERRIES, RASPBERRIES:</b> Spray plants at 7 to 10 day intervals beginning when the plants start to grow, until 14 days before harvest.  (If a later application is needed for Fruit Rot, use Captan 50% Wettable Powder alone, but not within 3 days of picking; remove residue at harvest by washing or other effective means.)</p>	<p>Aphids, Mites, Japanese Beetles, Spittle Bugs, Red Spiders, and Leafhoppers, Leaf spot and fruit rot.</p>

**CAUTION**

Harmful if swallowed. Avoid breathing of spray mist. Avoid contact with skin. Wash thoroughly after using.

Avoid contamination of food and foodstuffs. Wash fruit before marketing or eating.

This product is highly toxic to bees exposed to direct treatment or residues on crops. Protective information may be obtained from your Cooperative Agricultural Extension Service.

This product is toxic to fish. Keep out of any body of water. Fish may be killed. Do not contaminate water by cleaning of equipment or disposal of wastes.

**Do not reuse empty container. Discard in a safe place.**

**WARRANTY**

Lebanon Chemical Corporation, the manufacturer, warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under normal conditions, or under conditions not reasonably foreseeable to seller and buyer.
