TURF ORGANIC
WITH WEED KILLER

LEBANON

NET WT. 50 LBS.
LEBANON
TURF ORGANIC
WITH WEED KILLER

MINIMUM FERTILIZER GUARANTEE

TOTAL NITROGEN (N) 5.0%
4.75% Water Insoluble Nitrogen
AVAILABLE PHOSPHORIC ACID (P₂O₅) 4.0%
Potential acidity equivalent to 200 lbs. calcium carbonate per ton.

FOR A LUXURIOUS, WEED FREE LAWN

Long lasting supply of plant nutrients from the all organic composition builds thicker grass and hardier vegetation. Even green color and growth in prolonged drought from organic nutrients.

EFFECTIVE BROADLEAF WEED CONTROL

Dandelion, plantain, buckhorn, chicory, henbit, knotweed, morning glory, creeping Jenny, shepherd's purse, wild carrot, yarrow and annual chickweed.

SPREADER SETTINGS

Lawn Beauty	4	Jackson	6
Patco	6	Sears	6
Modern	5	Scott	5
Cyclone	4.6	Central	4

NOTE: Above spreader settings are approximate. Check your spreader on 100 sq. ft. and adjust to apply only 1 lb. per 100 sq. ft. Rate of walk, moisture and spreader condition can vary the spreader setting necessary to apply the correct amount.

DIRECTIONS

TURF ORGANIC WITH WEED KILLER can be applied anytime weeds are in active growth. Summer applications may require watering area with one inch of water 24 hours before application to assure adequate soil moisture for effective weed control. An additional inch of water 48 hours after application stimulates growth of grass.

Apply 10 lbs. per 1000 sq. ft. on established lawns or turf. New lawns should not be treated until after second cutting.

CAUTION

Avoid inhaling dust. Avoid contact with skin, eyes or clothing. Vapors from this product may injure susceptible plants in the immediate vicinity. Bentgrass, St. Augustine grass, Dichondra, Carpet grass, or clover may be injured. Avoid drift to susceptible plants as this product may injure flowers, ornamentals and vegetables. Thoroughly clean spreader. Do not store near fertilizer, seeds, insecticides and fungicides. Do not reuse container. Destroy when empty.

WARRANTY

Lebanon Chemical Corporation, the manufacturer, warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty or merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
