

Henry E. Rohland  
Lebanon Chemical Corporation  
P.O. Box 180  
Lebanon, PA 17042-0180

Dear Mr. Rohland:

Subject: Corrected Labeling - Add WPS Exclusionary Statement  
Lebanon Dandelion Killer  
EPA Registration No. 961-242  
Your Submission Dated May 15, 1995

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following provisions:

- 1) Revise the first two sentences of the Precautionary Statements to read as follows:

"Harmful if swallowed, absorbed through skin or inhaled. Causes eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing dust."

- 2) Rewrite the Statement of Practical Treatment to read as follows:

"IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting."

"IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists."

"IF ON SKIN: Wash with plenty of soap and water. Get medical attention."

"IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention."

- 3) Revise the third sentence of the Environmental Hazards section to read "Do not apply directly to water."

**TOTAL:** 100.00%

ACCEPTED  
with COMMENTS  
In EPA Letter Dated

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act  
as amended, for the pesticide  
registered under EPA Reg. No.  
961-242

\*Equivalent to 1.73% of 2,4-dichlorophenoxyacetic acid.

EPA Reg. No. 961-242

(L) (D)

EPA Est. 961-PA-01:961-IL-01

Superscript used is first letter of lot number.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
KEEP OUT OF REACH OF CHILDREN**

## CAUTION

Harmful if swallowed or absorbed through the skin. Avoid breathing dust and contact with skin, eyes, or clothing. Do not allow people (other than Applicator) or pets on treatment area during application. Do not enter treatment area until dusts have settled.

When using this product, wear a long-sleeved shirt, long pants, socks and shoes. After using this product, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water.

### FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if swallowed or if irritation persists.

### ENVIRONMENTAL HAZARDS

This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**NOT FOR USE ON TURF BEING GROWN FOR SALE OR OTHER COMMERCIAL USE AS SOIL OR FOR COMMERCIAL SEED PRODUCTION OR FOR RESEARCH PURPOSES.**

### SPREADER SETTINGS

Modern	5
Scott	5
Queen Turf	5
Sears	5
Lawn Beauty	4
Jackson	5
Central	3

**NOTE:** Above spreader settings are approximate. Check your spreader on 100 sq. ft., and adjust to apply 3 oz. per 100 sq. ft. Rate of walk, moisture and spreader conditions can vary the spreader settings necessary to apply the correct amount.

### DIRECTIONS

Apply at the rate of 2 lbs. per 1,000 sq. ft. The maximum number of broadcast applications per treatment site is two per year.

This product is ideal for killing active growing broadleaf weeds. Apply in early Spring to rid your lawn of perennial and biennial weeds that sprouted in Fall. To maintain the beauty of your lawn, this product can be applied anytime weeds are visual. Results are best if ground moisture is adequate. During dry weather, water lawn thoroughly 24 hours prior to application. Do not use on newly seeded lawns.

For persistent weeds, or if a heavy rain within 2 days after application, a second application may be necessary. Mowing, watering or heavy traffic within 24 hours after application will reduce the effectiveness.

Clover, bentgrass and some other grasses may be injured by this product.

Sweep all fertilizer materials from concrete surfaces immediately after application. Do not wash materials from concrete surfaces because some fertilizers may contain iron which may cause discoloration upon oxidation.

### WARRANTY

The Manufacturer warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such use.

### STORAGE AND DISPOSAL

**STORAGE:** Keep in original container in a cool, dry area, away from extreme heat and direct sunlight. Do not store near food, feed, seeds or other pesticides.

**PESTICIDE DISPOSAL:** Securely wrap original container in several layers of newspaper and discard in trash.

**CONTAINER DISPOSAL:** Do not reuse bag. Discard bag in trash.
