

UNDER THE FEDERAL INSECTICIDE
 FUNGICIDE AND FERTILIZER ACT
 CASE NO. 961-254 SUBJECT
 UNDER NO. 961-254 SUBJECT
 ATTACHED COMMENTS.

**KILLS
 CERTAIN INSECTS
 AND MITES**

**CONTROLS DISEASES
 COMMON TO ROSES**

ACTIVE INGREDIENTS:	
Malathion (1).....	4.00%
Metaoxychlor, Technical*.....	5.00%
Captan (2).....	5.00%
2-(1-Methylheptyl)-4,6-dinitrophenyl crotonate (3).....	0.67%
Other nitrophenols and derivatives, chiefly 1-methylheptyl-4,6- dinitrophenol	0.08%
INERT INGREDIENTS:	85.25%
TOTAL	100.00%

*4.4% 2,2-bis(p-methoxyphenyl)-1,1,1-trichloroethane
 0.6% other isomers and related compounds
 (1) O,O-dimethyl dithiophosphate of diethylmercaptopyruvate
 (2) N-trichloromethylthio-4-cyclohexene-1,2-dicarboximide
 (3) Karathane

CAUTION
KEEP OUT OF REACH OF CHILDREN
 (For additional cautions see back panel)

NET WEIGHT 10 OZ. U.S.D.A. Reg. No. 961-254

A modern formulation containing proper insecticides and fungicides designed for one product control of certain insects and diseases.

READY TO USE:

- Remove safety cap, point duster toward plant . . . Squeeze duster.
- Make a thorough light application to the upper and lower sides of foliage to contact all insects.
- Dust when plants start to leaf out and repeat at weekly intervals throughout the growing season.
- For best results, apply when the air is still and the temperature at its lowest (either morning or evening).

Insects or Disease	Directions
Aphids, rose chafer, Japanese beetle, flea beetle, diabrotica beetle, white fly, tarnished plant bug, thrips, spider mite.	Use as directed above.
Black spot, powdery mildew, Botrytis blossom blight.	During periods of rapid growth, frequent rain and high humidity, apply twice weekly for better protection.

CAUTION

Harmful if swallowed. Avoid breathing dust. May be a skin irritant. Avoid contact with skin, eyes or clothing. Wash thoroughly after using. Avoid contamination of feed and foodstuffs. Keep away from domestic animals. Contamination of water with this product may kill fish.

Do not reuse container. Destroy when empty.

WARRANTY

Lebanon Chemical Corporation, the manufacturer, warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
