LEBANON CHEMICAL CORPORATION
Lebanon, Pa. 17042

DIRECTIONS

Apply 4 lbs. per 1000 sq. ft. when insects are troublesome, usually beginning in late April or early May. Work material in with a coarse water spray after treatment. Make sure to apply around base of trees, shrubs, walks, fences and building foundations.

Repeat 2 to 3 weeks later if necessary.

CAUTION

Harmful if inhaled or swallowed. Avoid breathing of dust. Do not take internally. Avoid contact with skin. Wear long-sleeved work clothing. Change to clean clothing after using. Wash hands and face before eating.

Avoid contamination of food, feed, water supplies, streams and ponds. Note to physician: Carbaryl is a moderate, reversible, cholinesterase inhibitor.

Do not reuse container. Destroy when empty.

WARRANTY

Nassau Garden, Inc. warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
