Henry E. Rohland
Lebanon Chemical Corporation
P.O. Box 180
Lebanon, PA 17042

Dear Mr. Rohland:

Subject: Add WPS Standard Exclusionary Statement
Lebanon Turf Fungicide
EPA Registration No. 961-277 ✓
Your Application Dated October 3, 1992

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- Update the Environmental Hazards section to include the following:

Do not contaminate water by disposal of equipment washwaters.

2. Submit one (1) copy of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

15 /
Cynthia Giles-Parker

BEST AVAILABLE COPY

Contains Daconil 2787 fungicide, an effective broad-spectrum fungicide for the control of many turf diseases, including the following:

- | | |
|--------------------------------------|-------------------------------------|
| Helminthosporium Leaf Spot | Melting Out |
| Curvularia (Curvularia spp.) | Copper Spot (Gloeocerospora sorghi) |
| Dollar Spot (Sclerotinia homeocarpa) | Brown Patch (Rhizoctonia solani) |
| Gray Leaf Spot (Pyricularia grisea) | Stem Rust of bluegrass |

<p>PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION</p> <p>Harmful if swallowed. Skin sensitizer. Avoid contact with skin, eyes or clothing. Wash thoroughly after using. Do not graze treated areas or feed clippings to livestock.</p>
<p>FIRST AID</p> <p>NOTE TO PHYSICIAN: Persons having an allergic reaction respond to treatment with antihistamines or steroid creams and/or systemic steroids.</p>
<p>ENVIRONMENTAL HAZARDS</p> <p>This product is toxic to fish, aquatic invertebrates, and marine/estuarine organisms. Runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not apply when weather conditions favor drift from treated areas. Do not contaminate water by cleaning of equipment or disposal of wastes.</p>

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

APPLY THIS PRODUCT ONLY AS SPECIFIED ON THIS LABEL

BEST AVAILABLE COPY

Apply when grass is damp, as after a rain or in the early morning. Following application, do not water or mow grass for a minimum of 24 hours. Use rate of 4 lbs. per 1,000 sq. ft. for normal control, increase rate to 6 lbs. per 1,000 sq. ft. for severely affected areas.

For control of Helminthosporium Leaf Spot, Melting Out and Curvularia, apply in early Spring. Continue applications at 7 to 10 day intervals during wet season.

To control Copper Spot, Dollar Spot, Brown Patch, Gray Leaf Spot and Stem Rust, apply in early Spring to early Summer, and continue applications at 7 to 14 day intervals into early Fall.

Note to User:

This product may produce temporary allergic side effects characterized by redness of the eyes, mild bronchial irritation and redness or rash on exposed skin areas. Persons having allergic reaction should contact a physician.

Wear long-sleeved shirt, long pants and gloves while mixing, loading and applying this product.

SPREADER SETTINGS

The Recommended Settings listed below are calculated to apply this product at 4 lbs. per 1,000 sq. ft. for normal control. In addition, for severely affected areas, apply 6 lbs. per 1,000 sq. ft. These settings are approximate. Check application rate of your spreader before applying. Settings may vary with age and condition of spreader.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Keep in original container in a cool, dry area, away from extreme heat and direct sunlight. do not store near food, feed, seeds or other chemicals.

PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse bag. Discard bag in trash.

Pesticide wastes are toxic. Improper disposal of excess pesticide, pesticide spray or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

WARRANTY

The Manufacturer warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of the product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such use.
