PREEN 'n GREEN

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Keep out of reach of children and pets. Harmful if swallowed or absorbed through skin. Avoid breathing dust. Avoid contact with skin, eyes, or clothing. In case of contact, wash hands with soap and water, flush eyes with running water and get medical attention if irritation persists; wash clothing before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish. Do not apply directly to water or wetlands (swamps, bogs, or marshes). Drift or runoff from treatment areas may be hazardous to aquatic organisms in neighboring aquatic sites. Do not contaminate water by cleaning of equipment or disposal of waste.

What Preen 'n Green Does: Preen 'n Green is a two way product that feeds with a quality plant food and at the same time prevents many broadleaf and grassy weeds from becoming started around listed flowers, roses, shrubs, trees and vegetables all season without difficult and time consuming hand weeding. Without weeds to compete for space, plant nutrients and water, your valuable plants can grow larger, stronger and healthier. Do not apply to Ajuga, Myrtle, Pachysandra as injury may result.

WEEDS CONTROLLED: Annual Bluegrass, Barnyardgrass (Watergrass), Brachiaria, Bromegrass, Cheat, Crabgrass, Foxtail, Goosegrass, Johnsongrass (from seed), Junglerice, Sandbur, Stinkgrass, Sprangeltop, Texas Panicum, Wildcane. Also controls these broadleaf weeds: Carelessweed, Carpetweed, Chickweed, Florida Purslane, Goosefoot, Knotweed, Kochia, Lambsquarter, Pigweed, Purslane, Russian Thistle, Stinging Nettle.

When to Apply Preen 'n Green: Apply as early as possible in the growing season to take advantage of the season-long weed control it provides. You may apply anytime during the growing season around established flowers, roses, shrubs, trees, and anytime prior to setting transplants. Do not use on flower seeds. For best results follow directions carefully.

### LIMITATIONS

Do not apply Preen 'n Green to muck soils. Do not over-apply; injury may occur to subsequent crops which are sensitive to trifluralin. Do not use with crops other than those listed on this label. Preen 'n Green is not intended for use on lawns, nor for use in enclosed areas, such as greenhouses.

### Storage and Disposal

Storage: Keep in original container in a cool, dry area, away from extreme heat and direct sunlight. Do not store near food, feed, seeds or other pesticides.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Do not reuse container. Discard container in trash.

The manufacturer makes no warranties, express or implied, concerning this product or its use, which extend beyond the description on the face hereof. All statements made concerning this product apply only when used as directed.
