**expel**

**IT'S EASY TO TAKE WEEDS OUT OF YOUR LAWN**

Hose-end LAWN SPRAYER (15-gallon only)

1 PUT IN PROPER AMOUNT OF EXPEL™	2 PUT IN PROPER AMOUNT OF WATER	3 SPRAY
To Cover 3,000 sq. ft. 9 oz.*	full jar (15 gal. mark)	Walk over lawn, spraying it with just enough to resemble a heavy dew. No need to drench. Be sure spray does not fall on desired plants.
2,000 sq. ft. 6 oz.*	to 9 gal. mark	
1,000 sq. ft. 3 oz.*	to 5 gal. mark	

\*Use half as much EXPEL with same amount of water on lawn of bentgrass, St. Augustine, centipede and carpetgrass.

**FOR OTHER SPRAYERS**

MIX 4 teaspoons EXPEL (9/16 oz.) per gallon of water to cover 225 sq. ft. or use pre-calculated quantities from the table.

**WHEN TO APPLY:** Apply EXPEL as soon as you see broadleaf weeds in your lawn, and anytime during the growing season. Best time is when weeds are growing rapidly. For best results, do not apply on hot days (above 85° F.), windy days, or days when rain is expected within 6 hours.

**TROUBLE SHOOTING:** If certain persistent weeds do not die within 3 weeks, repeat the application. If grass browns temporarily, water heavily. To kill growing crabgrass, use **Greenfield Crabgrass Killer**.

**PRECAUTION:** Do not apply weed killers to new lawns until 4 to 6 weeks after germination. Delay seeding for 2 weeks after application. Do not apply to established mowed lawns. May cause injury to bentgrass, St. Augustine, or carpet grass when applied at full strength rate. Delay mowing for 48 hours after use. Do not use weed killing sprayers for other purpose. Coarse sprays are less likely to drift.

**CAUTION:** Harmful if swallowed. Avoid contact with skin, eyes, or clothing. Wash hands after use. Do not use near heat or open flame. Do not use on seeds, fertilizers, insecticides, or fungicides. Do not contaminate water used for domestic or irrigation purposes.

Do not reuse empty container. Rinse container with water and a 10% bleach solution. Dispose of through proper recycling or disposal system. Avoid breathing.

Keep out of reach of children. See back panel for more information. For more information, call 1-800-4-A-LILLY.
