Henry E. Rohland
Lebanon Seaboard Corporation
1600 East Cumberland Street
Lebanon, PA 17042

Dear Mr. Rohland:

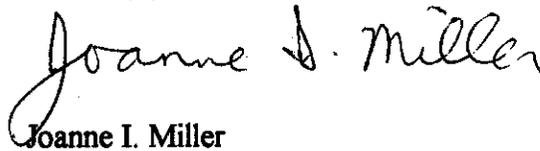

**SUBJECT: Lebanon Country Club 18-5-9 Fertilizer With Balan For Turf
Label Amendment
EPA Registration No. 961-321 ✓
Your Application Dated July 28, 2003**

The label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable provided that you make the following changes:

1. Since turf sites are not specified, you must use Storage and Disposal Instructions from PR Notice 83-3 not PR 2001-6.

The amended label supersede all previously accepted ones. A stamped copy is enclosed for your records. Please submit one copy of your printed label incorporating the revision specified above, before you release the product for shipment.

Sincerely yours,

Joanne I. Miller
Product Manager (23)
Herbicide Branch
Registration Division (7505C)

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing dust and contact with skin or eyes. Use eye protection and protective clothing such as coveralls, a long-sleeved shirt and impermeable gloves when handling this product.

FIRST AID

- IF SWALLOWED:**
- Call a poison control center or doctor immediately for treatment advice.
 - Have person sip a glass of water if able to swallow.
 - Do not induce vomiting unless told to do so by a poison control center or doctor.
 - Do not give anything by mouth to an unconscious person.

IF ON SKIN: • Take off contaminated clothing.

- OR CLOTHING:**
- Rinse skin immediately with plenty of water for 15-20 minutes.
 - Call a poison control center or doctor for treatment advice.

- IF IN EYES:**
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
 - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
 - Call a poison control center or doctor for treatment advice.

- IF INHALED:**
- Move person to fresh air.
 - If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
 - Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For Emergency Medical Information call (888) 208-1368.

ENVIRONMENTAL HAZARDS

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate any body of water by direct application, cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

NOT FOR USE ON TURF BEING GROWN FOR SALE OR OTHER COMMERCIAL USE AS SOD, OR FOR COMMERCIAL SEED PRODUCTION OR FOR RESEARCH PURPOSES.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Keep in original container in a cool, dry area, away from extreme heat and direct sunlight. Do not store near food, feed, seeds or other pesticides.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800 CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

This product fertilizes grass and controls smooth and hairy crabgrass, goosegrass, barnyardgrass, green and yellow foxtail and annual bluegrass on established turf of Bluegrass, Ryegrass, Fescue, Bahiagrass, Bermudagrass, Centipedegrass, St. Augustinegrass and Zoysiagrass.

Do not apply in the Spring to bluegrass planted the previous Fall. Do not apply to newly-sprigged areas until root growth is established. Do not apply to bentgrass, dichondragrass, clover lawns or putting greens as possible injury may result.

Crabgrass, Goosegrass, Barnyardgrass and Foxtail Control

For Warm Season Grasses (Southern), apply this product in early Spring prior to weed grass germination at the rate of [245 lbs. per acre (3 lbs. active ingredient) or 5.6 lbs. per 1,000 sq. ft.].

For Cool Season Grasses, apply in early Spring, prior to weed germination, at the rate of [123 lbs. per acre (1 1/2 lbs. active ingredient) or 2.8 lbs. per 1,000 sq. ft.] for short-season areas, or at [163 lbs. per acre (2 lbs. active ingredient) or 3.7 lbs. per 1,000 sq. ft.] for longer-season areas.

Annual Bluegrass (Poa Annua) Control:

For Warm Season Grasses, apply this product in early Fall at the rate of [245 lbs. per acre (3 lbs. active ingredient) or 5.6 lbs. per 1,000 sq. ft.].

For Cool Season Grasses, apply this product in early Fall at the rate of [163 lbs. per acre (2 lbs. active ingredient) or 3.7 lbs. per 1,000 sq. ft.].

Reseeding should be delayed approximately 90 days after using this product.

(NOTE: Application rates listed can be shown on actual label as lbs. per acre and/or lbs. per 1,000 sq. ft.)

SPREADER SETTINGS

[Note: Registrant/Subregistrant may insert appropriate spreader setting information based on desired spreaders and recommended use rates.]

These settings were calibrated and field tested. However, age and condition of spreader, speed of operation and evenness of terrain may require slightly different settings for desired coverage.

WARRANTY

The Manufacturer warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Manufacturer, and Buyer assumes the risk of any such use.

Country Club® is a registered trademark of Lebanon Seaboard Corporation.

Additional Labeling Requirements:

If fertilizer guarantee contains iron, the following statement must appear:

This product contains the secondary nutrient iron. Iron may stain concrete and should not be applied on dry or water dampened concrete and should be removed from these areas promptly after application by sweeping or blowing. Do not wash off with water.

If the recommended use rate applies less than 1 pound nitrogen per 1,000 sq. ft. per application, the following statement must appear:

Supplemental applications of lawn fertilizer are needed to achieve a minimum 1 pound nitrogen per 1,000 sq. ft.

For products distributed in the State of Washington, the following statement must appear:

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.regulatory-info-lebsea.com>
