MAY 31 2011

Dear Ms. Covert:

SUBJECT: Label Amendment
Preen Trifluralin Mulch
EPA Registration No. 961-409
Your Submission Dated February 28, 2011

The label amendment referred to above, submitted in accordance with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records. Please submit one (1) copy of your final printed labeling before you release the product for shipment. This amended labeling supersedes all previously accepted ones.

Sincerely yours,

Kathryn V. Montague
Product Manager (23)
Herbicide Branch
Registration Division (7505P)

Enclosure

PREEN® TRIFLURALIN MULCH

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Wear: Long-sleeved shirt and long pants, socks, shoes and gloves. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

USER SAFETY RECOMMENDATIONS: Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

FIRST AID

- IF IN EYES:**
 - Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
 - Call a poison control center or doctor for treatment advice.
- IF SWALLOWED:**
 - Call a poison control center or doctor immediately for treatment advice.
 - Have person sip a glass of water if able to swallow.
 - Do not induce vomiting unless told to do so by a poison control center or doctor.
 - Do not give anything by mouth to an unconscious person.
- IF ON SKIN:
OR CLOTHING:**
 - Take off contaminated clothing
 - Rinse skin immediately with plenty of water for 15-20 minutes.
 - Call poison control center or doctor for treatment advice.
- IF INHALED:**
 - Move person to fresh air.
 - If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
 - Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For Emergency Medical Information call (888) 208-1368.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to freshwater marine, and estuarine fish and aquatic invertebrates including shrimp and oyster. Do not apply in a manner which will directly expose canals, lakes, streams, ponds, marshes or estuaries to aerial drift. Do not contaminate water when disposing of equipment washwaters. Do not apply directly to water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

PRODUCT INFORMATION

This landscaping product contains a premium quality mulch such as Hardwood, Pine, Cedar and Cypress or combination thereof together with a long-lasting preemergence herbicide. One application of Preen Trifluralin Mulch provides 4 months control of broadleaf weeds* and annual grasses and ornamental beds. Plus it helps landscaped areas retain moisture - protecting your plants, trees and shrubs from extreme temperatures.

Preen Trifluralin Mulch provides increased weed* control vs. ordinary mulches, when used as directed. This mulch contains natural forest products and contains no recycled waste wood. These materials are ideal for mulches because they naturally degrade over time, turning into valuable organic matter.

PRODUCT RESTRICTIONS

APPLICATION RESTRICTIONS: Do not apply this product in a way that will contact any person or pet, directly or through drift. Keep people and pets out of the area during application.

ENTRY RESTRICTIONS: Do not allow people or pets to enter the treated area until dusts have settled.

WEAR GLOVES WHEN HANDLING.

Do not apply near fish pools, ponds, streams, or lakes.

Do not use mulch around Ajuga, Myrtle, or Pachysandra until it is well established, as injury may result.

Do not use with plants other than those listed on this label.

Do not apply over flower or vegetable seeds.

To prevent possible staining to unintended surfaces, ex: concrete, stone walks, vinyl surfaces, etc., sweep up stray product as soon as possible.

NOT FOR USE ON PLANTS BEING GROWN FOR SALE OR OTHER COMMERCIAL USE, OR FOR COMMERCIAL SEED PRODUCTION OR FOR RESEARCH PURPOSES, FOR USE ON PLANTS INTENDED FOR AESTHETIC PURPOSES, OR CLIMATIC MODIFICATIONS AND BEING GROWN IN ORNAMENTAL GARDENS.

⁺Non-bearing fruit, nut trees and non-bearing plants are defined as plants that will not bear fruit for at least one year after treatment.

WHEN TO APPLY

Preen Trifluralin Mulch prevents weeds from germinating in flower gardens, and around ground covers, trees and shrubs. Apply Preen Trifluralin Mulch any-time during the growing season around established plants and transplants. **Do not use Preen Trifluralin Mulch on flower and vegetable seeds.** It can be used after flowering plants have germinated and are 2-3 inches tall. Since it does not kill existing weeds, you must first remove any that have already begun to grow. By applying Preen Trifluralin Mulch as early as possible, you can eliminate the need for hand weeding. Without weeds, your valuable plants can grow larger and stronger. Your beds will stay neat and weed-free all season long!

Rain does not wash this product out of the mulch. To keep ornamental beds weed-free all season, reapply Preen Trifluralin Mulch every 4 months [or use Preen Garden Weed Preventer or Preen Weed Preventer with Brilliant Blooms Fertilizer.]

HOW TO APPLY

Spread Preen Trifluralin Mulch over the area to a depth of two inches. Do not plant flowers directly into mulch. If additional planting is desired after Preen Trifluralin Mulch has been applied, first remove the mulch from the selected area. Avoid getting treated mulch in the planting hole. Once the plant is firmly embedded in the soil, replace the mulch around the plant.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store product in its original container in a cool, dry, locked place out of reach of children and animals.

PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

WARRANTY

The manufacturer warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability of fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Manufacturer, and to the extent consistent with applicable law, Buyer assumes the risk of any such use.

[Preen Guarantee is optional text]

PREEN GUARANTEE

To the extent consistent with applicable law, Lebanon Seaboard Corporation guarantees you will be satisfied with the performance of this product when used as directed, or your money back. If not satisfied, describe the nature of your problem, and send with proof of purchase to Lebanon Seaboard Corporation, 1600 East Cumberland St., Lebanon, PA 17042.

Fill is by volume. Some settling may occur during shipment.
