DEC 4 2009

SUBJECT: Application for Pesticide Notification (PRN 98-10)  
Request General Label Change (Marketing Claims)  
EPA Reg. No. 961-410  
Application Dated October 4, 2009

Dear Registrant:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated 10/04/09 for the above product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action(s) requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-6249 or Owen F. Beeder of my staff at 703-308-8899.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Arrington", is written above the typed name.

# NOTIFICATION

DEC - 4 2009

Notification additional marketing claims as defined in cover letter. This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Notification Marketing

Dear Ms. Hobgood:

As the authorized representative, Lebanon Seaboard Corporation is submitting a revised label for WK08201, EPA Reg No. 961-410.

The changes for this label include:

- Added additional marketing claims on page 8.

To complete this notification application, enclosed please find:

- Application for Pesticide (EPA Form 8750-1)
- One highlighted copy (red line/blue line) of the revised label
- One clean copy of the revised label
- One CD e-label file name 000961-00410.20091003.NotifMarketing.pdf

If you have any questions or concerns about this notification please contact me at (856)751-3432 or [jacovert@comcast.net](mailto:jacovert@comcast.net).

Sincerely,

*Jeanette Covert*

**Back Panel:**

**Precautionary Statements**

Hazards to Humans and Domestic Animals

**CAUTION**

Causes moderate eye irritation. Harmful if swallowed, inhaled or absorbed through the skin. Avoid contact with eyes, skin or clothing. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

| First Aid   |   |
|---|---|
| If in eyes:   | <ul style="list-style-type: none"><li>• Hold eye open and rinse slowly and gently with water for 15-20 minutes.</li><li>• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</li><li>• Call a poison control center or doctor for treatment advice.</li></ul>   |
| If swallowed:   | <ul style="list-style-type: none"><li>• Call a poison control center or doctor immediately for treatment advice.</li><li>• Have person sip a glass of water if able to swallow.</li><li>• Do not induce vomiting unless told to do so by a poison control center or doctor.</li><li>• Do not give anything by mouth to an unconscious person.</li></ul> |
| If on skin or clothing:   | <ul style="list-style-type: none"><li>• Take off contaminated clothing.</li><li>• Rinse skin immediately with plenty of water for 15-20 minutes.</li><li>• Call a poison control center or doctor for treatment advice.</li></ul>   |
| If inhaled:   | <ul style="list-style-type: none"><li>• Move person to fresh air.</li><li>• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.</li><li>• Call a poison control center or doctor for further treatment advice.</li></ul>   |
| Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For Emergency Medical Information call (888) 208-1368. |   |

**Environmental Hazards**

This product is toxic to fish. Drift and runoff may adversely affect aquatic organisms. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather will help to ensure that wind does not blow pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the garden will help to prevent run off to water bodies or drainage systems.

**Directions for use**

It is a violation of Federal law to use this product in any manner inconsistent with its labeling.

## General Information

WK08201 prevents most weeds from germinating for up to 4 months in flower beds, and around ground covers, trees and shrubs. Although this product will not kill existing weeds, it will prevent new weeds from sprouting – eliminating the need for difficult and time-consuming hand weeding. Without weeds, your valuable plants can grow larger and stronger. Your beds will stay neat and weed-free all season long.

## General Precautions and Restrictions

Not for use on plants being grown for sale or other commercial use, or for commercial seed production or for research purposes. For use on plants intended for aesthetic purposes or climatic modifications and being grown in ornamental gardens. Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application.

For Residential and Household Use Only

Not for use on lawns

Only apply WK08201 to established ornamental plants listed on this label. Do not apply to plants that are under stress. Do not over-apply or mix this product into the soil, as injury may occur to plants which are sensitive to WK08201. This product is not for use on lawns, or for use in enclosed areas, such as greenhouses. Do not apply another herbicide within 4 weeks of application of this product.

Do not apply more than 4.25 lbs. of this product per 1,000 sq. ft. per application, and no more than 12.75 lbs. of this product per 1,000 sq. ft. per year.

In the state of New York, do not apply more than 4.25 lbs. per 1,000 sq. ft. per year. Use of this product in Nassau and Suffolk counties of New York is prohibited.

## Entry Restrictions

Do not allow people or pets to enter the treated area until dusts have settled. If product is watered-in, do not enter or allow others to enter the treated areas (except those involved in the watering) until the watering-in is complete and the surface is dry.

## Weeds Controlled

**Grassy weeds:** Barley; Barnyardgrass; Bluegrass, Annual; Brome; Buttercup; Crabgrass: Large, Smooth, Southern; Crowfootgrass; Dallisgrass(seedling); Goosegrass; Foxtail: Green, Yellow; Kikuyugrass; Oats, Wild; Ryegrass: Annual, Perennial; Sandbur; Smutgrass. **Broadleaf weeds:** Bittercress; Carpetweed; Chickweed; Geranium, Carolina; Henbit; Knotweed, Prostrate; Lespedeza, Common; Lambsquarters; Maretail; Medic, Black; Mustard; Pineappleweed; Pigweed, Redroot; Parsely-piert; Purslane, Common; Rocket, London; Shepherdspurse; Speedwell, Corn; Spurge: Garden, Prostrate, Spotted; Woodsorrel: Creeping, Yellow.

**WK08201 is recommended for use around these established plants**

†Ornamental species only: Do not use on food producing trees and ornamentals.

### **When to apply WK08201**

Apply WK08201 anytime during the growing season only around established plants. WK08201 should not be used on flower seeds. It can be used after flowering plants have germinated and are 2-3 inches tall. Since it does not kill existing weeds, you must first remove any that have already begun to grow. By applying WK08201 as early as possible, you can eliminate the need for hand weeding.

Rain does not wash this product out of the soil. To keep ornamental beds weed-free all season long, reapply WK08201 every 4 months.

### **How to apply WK08201**

To avoid plant injury, do not apply WK08201 when foliage is wet. When plants are dry, sprinkle WK08201 on soil surface at rate given below. Once activated by watering, WK08201 forms a weed control barrier in the top layer of soil, preventing weed seeds from germinating. Disturbance to the soil surface after activation may result in erratic weed control.

### **Applying around established plants**

For flowers, roses, herbs, ground covers, ornamental grasses, shrubs and trees: sprinkle WK08201 evenly over the entire soil surface, at the rate of 0.68 oz. Per 10 sq. ft. (see picture below), being sure to keep granules away from plant roots and foliage. Water WK08201 into soil surface. Always wash or brush off stray granules from plant foliage to avoid damage or discoloration.

### **Surface application rate**

Sprinkle WK08201 as shown on soil surface. [INSERT IMAGE W/ COIN]

### **Applying WK08201 with mulch**

For best weed control, we recommend applying WK08201 after spreading mulch on your flower and shrub beds. Sprinkle WK08201 on top of mulch at surface rate (see picture on right), being sure to keep granules away from plant foliage. Water WK08201 into mulch. Always wash or brush stray granules from plant foliage to avoid damage or discoloration.

90f11

## Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE:** Store product in its original container in a cool, dry, locked place out of the reach of children and animals.

### CONTAINER DISPOSAL:

**IF EMPTY:** Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. **IF PARTLY FILLED:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

### Preen Guarantee

Lebanon Seaboard Corporation guarantees you will be satisfied with the performance of this product when used as directed, or your money back. If not satisfied, describe the nature of your problem, and send with proof of purchase to Lebanon Seaboard Corporation, 1600 East Cumberland St., Lebanon, PA 17042.

The manufacturer makes no warranties, expressed or implied, concerning this product or its use, which extend beyond the description on the face hereof. All statements made concerning this product apply only when used as directed.
