Lebanon, PA 17042

MAY 19 2011

Subject: Label Amendment Clarifying Application Advisory Statements for NY & FL,  
Correcting Typographical Errors, Adding Additional Marketing Claims, Adding  
New Applicator Top with Reusable Use Directions, and Adding Alternate  
Brand Names  
Turf Fertilizer Plus Dimension Weed Control  
EPA Reg. No. 961-417  
Your Submission, Dated Feb. 14, 2011, as Amended by Email March 11, 2011

Dear Ms. Covert:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable, provided you make the following changes:

1. Delete the graphic symbol of a pet's paw at the top of page 24 unless it is clearly associated on the label with one of the claims allowing pet access once the dust settles or within 24 hours of treatment (numbers 42, 43, and 44 on page 24).
2. Delete claims numbered 67 (*"The added efficiency provided by GreenSmart goes beyond a green, vibrant lawn because it promotes reduced leaching of nutrients into waterways."*) and 69 (*"With GreenSmart, your grass is better able to get what it needs to thrive. The added efficiency provided by GreenSmart goes beyond a greener lawn."*) at the top of page 35.

These claims are worded in such a way that the consumer may be misled to believe that use of your product results in reduced leaching of nutrients into waterways and, by inference, is beneficial to the environment. While your product may result in less leaching compared to other fertilizer products without the GreenSmart technology, application of any fertilizer-containing product is likely to result in greater leaching of nutrients into waterways than when no fertilizer is applied. Therefore, EPA finds that these claims are misleading

2/45

pursuant to section 2(q)(1)(A) of FIFRA and must be deleted from the label. If you are able to revise or qualify these claims such that they are no longer misleading, EPA will reconsider their acceptability on the label.

A stamped copy of your label is enclosed for your records. This label supersedes all previously accepted labels. You must submit one (1) copy of the final printed label before you release the product for shipment. Product shipped after eighteen (18) months from the date of this letter must bear the new revised label. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA §6(e). Your release for shipment of the product constitutes acceptance of these conditions.

If you have any questions, please call me directly at (703) 305-1243 or contact me by email at [montague.kathryn@epa.gov](mailto:montague.kathryn@epa.gov).

Sincerely,

Kathryn Montague

## PRECAUTIONARY STATEMENTS

---

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

#### CAUTION

**Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.**

#### First Aid

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For Emergency Medical Treatment Information call (888)208-1368.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish and highly toxic to other aquatic organisms including oysters and shrimp. Use with care when applying to turf areas adjacent to any body of water. Drift and runoff from treated turf may adversely affect aquatic organisms in adjacent aquatic sites. Do not apply when weather conditions favor drift from treated areas. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather will help to ensure that wind does not blow pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the [lawn or garden] will help to prevent run off to water bodies and drainage systems.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For Outdoor Residential Use. Read all Directions for Use carefully before applying.

How This Product Works [Product Information]

[[TURF Fertilizer Plus Dimension® Weed Control or This product] can be applied up to 4 weeks later than other crabgrass preventers and provides up to 4 months of crabgrass control.

[TURF Fertilizer Plus Dimension® Weed Control or This product] provides preemergence control of crabgrass and control or suppression of other listed weeds when applied prior to their germination. In addition, this product provides postemergence control of seedling crabgrass after germination and emergence. Postemergence control is limited to crabgrass only, but is effective up to 4 weeks after crabgrass has germinated. This generally corresponds to the time when crabgrass seedlings first become visible in [the established turfgrass [or] flower beds, and around ground covers, trees and shrubs]. Do not apply this product later than 4 weeks after crabgrass germination.

[Use the following sections for turfgrass application]

Apply this product only to turfgrass species listed on this label. The following turfgrass species are tolerant to this product when applied as directed:

Cool-Season Grasses	Warm-Season Grasses
Bentgrass, creeping	Bahiagrass
Bluegrass, Kentucky	Bermudagrass
Fescue, fine	Buffalograss
Fescue, tall	Carpetgrass
Ryegrass, perennial	Centipedegrass
	St. Augustinegrass
	Zoysiagrass

**Use Precautions [for Turf]**

[TURF Fertilizer Plus Dimension® Weed Control or This product] must be applied only to lawns and ornamental turfgrasses that are well established. For newly established lawns, use the initial application of this product only after turfgrasses have developed a vigorous root system, uniform stand, and received at least two mowings following seeding, sodding, or sprigging. Exception: In newly established lawns of Kentucky bluegrass, perennial ryegrass and/or tall fescue, this product may be applied two weeks after the first sign of germination.

Do not use on turf grown for agricultural or commercial purposes (turf farms), or for grass seed production.

- Use of this product on lawns and ornamental turfgrasses that are not well established, or weakened by stress due to mechanical operations, pests, excessive temperatures, or lack of moisture may result in turfgrass injury.
- For best results, cultural practices that disturb the soil, such as core-, spike-, or hydro-aerification, and verticutting, are to be done before application of this product. Do not apply this product until turfgrass has recovered from the mechanical injury caused by these cultural practices.
- Reseeding, Overseeding, or Sprigging: Reseeding, overseeding, or sprigging of areas treated with this product within 10 weeks after a single application of this product or within 16 weeks after a split application program totaling 6.0 lb./1000 sq. ft. (0.5 lb. active ingredient per acre) or more may inhibit the establishment of desirable turfgrasses. When reseeding, overseeding follow proper cultural practices for seedbed preparation, seeding, irrigation and fertilization.
- Do not use clippings from treated turf for mulching around vegetables or fruit trees.
- Do not allow people or pets to enter treated area until dust has settled.

### Weeds Controlled or Suppressed

[TURF Fertilizer Plus Dimension® Weed Control] will provide control of crabgrass and control or suppression of other listed grass and broadleaf weeds when applied prior their germination.

#### Grasses

barley  
 barnyardgrass  
 bluegrass, annual  
 brome  
 crabgrass, large  
 crabgrass, smooth  
 crabgrass, Southern

 shepherdspurse  
 speedwell, corn †  
 spurge, garden  
 spurge, prostrate  
 spurge, spotted  
 woodsorrel, creeping  
 woodsorrel, yellow

† Suppression only

#### How to Apply

To optimize product performance apply this product within a few days after mowing and delay mowing again for a few days after the application. Most effective weed control will be obtained when [TURF Fertilizer Plus Dimension® Weed Control or this product] is activated by rainfall or irrigation. Performance is improved if application is followed by ½ inch of rainfall or irrigation. Erratic weed control may result if not activated by rainfall or irrigation within 30 days after application.

#### Optional Heading: SPREADER SETTINGS

[Note: Registrant/Subregistrant may insert appropriate spreader setting information based on desired spreaders and specified use rates as listed. See spreader examples at the end of the label.]

Drop Spreaders	Calibration Settings at Specified Rate (lb./1000 sq. ft.)					
	1.5	2.1	2.3	2.7	3.1	6.0
XXXXXXX	XX	XX	XX	XX	XX	XX
<b>Broadcast Spreaders</b>						
XXXXXXX	XX	XX	XX	XX	XX	XX

These settings were calibrated and field tested. However, age and condition of spreader, speed of operation, and evenness of terrain may require slightly different settings for desired coverage.

**Optional [Application Equipment and Instructions] [Spreader Directions]:**

**[Determining Your Lawn's Square Footage**

To determine how much of this product to apply, you must determine the square footage of your lawn. An easy way to do this is to walk the length of your lawn, figuring that one pace equals about 3 feet. Do the same with the width of the lawn. Then multiply the length by the width to arrive at the total. Make sure you subtract the square footage of your home and driveway when calculating the total square footage of your lawn. If your lawn has an irregular shape, try dividing it up into a number of square areas. Calculate the square footage for each area, then add the figures together to reach your total lawn size.]

[Insert icon representing footprint of house, driveway and lawn]

[above pictogram is optional ]

**[Spreader Tips**

The two main types of spreaders are the Drop Spreader, which drops the material straight down the width of the spreader as you push, and the Broadcast Spreader (also known as a rotary), which throws the material from the spreader.]

**[Drop Spreader:** First make two passes along the top of the area you'll be covering. Then make two passes along the bottom area. Then move back and forth along the long part of the lawn. On each pass, as you reach the strips at the top and bottom of the area to be covered, shut off the spreader. It's also important to shut off the spreader when you are stopped. ]

[Insert icon showing spreader path]

[Insert drop spreader icon]

[ above pictogram is optional] [Fig. A.]

**[Broadcast Spreader:** Apply in a single pass by starting on the outside border and apply in a circular path working toward the center.]

Insert icon showing spreader path]

[Insert broadcast spreader icon]

[ above pictogram is optional][Fig. B.]

**[Optional Spreader Language:]**

[The above spreader settings are approximate. To check your spreader: XX lb. of material covers approximately XXX sq. ft. (X lbs. of material per XXXX sq. ft.)

Note: if spreader model does not appear above please call [toll free] XXX-XXX-XXXX, X am - Xpm [ET] [CT] [MT] [PT], [Monday – Friday] [Monday – Sunday] [Anytime] [24/7] for additional model settings.]

**How Much To Apply**

[TURF Fertilizer Plus Dimension® Weed Control or This product] will provide up to 4 months of crabgrass control when applied according to label directions. The actual length of control will vary depending on use rate, weather conditions, condition of the turfgrass, intensity of weed pressure, and the location or "Region" within the United States where this product is being applied.

**Refer to the map below to determine the region of the U.S. that includes your location.** Use the table below to determine the amount of [TURF Fertilizer Plus Dimension® Weed Control or this product] to apply in your location based on the desired length of weed control or need for postemergence crabgrass control.

Use "Regions" within the United States:

**Product Use Rates**

Amount of [TURF Fertilizer Plus Dimension® Weed Control] to Apply (Pounds of product to apply per 1,000 square feet of turfgrass †)			
Region of U.S.	----- Length of Crabgrass Control -----		
	2 - 3 months	3 - 4 months	Early Postemergence Control
North	1.5 lb./1000 sq. ft. (0.128 lb. ai/acre)	2.1 lb./1000 sq. ft. (0.174 lb. ai/acre)	[2.7 - 6.0 lb./1000 sq. ft. †† (0.22 - 0.5 lb. ai/acre)]
South	2.3 lb./1000 sq. ft. (0.192 lb. ai/acre)	[2.7 - 3.1 lb./1000 sq. ft. †† (0.22-0.256 lb. ai/acre)]	[2.7 - 6.0 lb./1000 sq. ft. †† (0.22 - 0.5 lb. ai/acre)]

† 1,000 square feet equals an area 100 feet X 10 feet or square area of about 32 feet on a side.  
 [†† Use the higher rate in rate range in areas of high weed pressure or for increased length of control.]

**Maximum Application Rates:**

- Do not apply more than 6.0 lb. of this product per 1,000 sq. ft. per application and no more than 18.0 lb. of this product/1000 sq. ft. per year (equivalent to 0.5 and 1.5 lb. of active ingredient per acre, respectively).
- In the state of New York, do not exceed 3.0 lb. of this product per 1000 sq. ft. per year (equivalent to 0.25 pounds of active ingredient per acre).
- [For the state of Florida, do not apply more than [X.X] lbs of this product per 1,000 sq. ft. per application. The maximum number of applications of this product per treatment site is [XX] per year.]

## When to Apply [Application Timing]

### Spring Application

**Control of Crabgrass:** [TURF Fertilizer Plus Dimension® Weed Control or this product] provides preemergence control of crabgrass and control or suppression of other listed weeds when applied prior to their germination. In addition, this product provides postemergence control of seedling crabgrass after germination and emergence. Postemergence control is limited to crabgrass only and is effective up to 4 weeks after germination of crabgrass. This generally corresponds to the time when crabgrass seedlings are at the 3-leaf stage of growth and first become visible in the established turf. This product will not control crabgrass at later growth stages when crabgrass plants begin to tiller (spread). Properly timed applications will control existing crabgrass and prevent further emergence of crabgrass seedlings. Do not apply this product later than 4 weeks after crabgrass germination.

**Control or Suppression of Other Grass and Broadleaf Weeds:** For control or suppression of other grass and broadleaf weeds, this product must be applied as a preventative treatment prior to their germination and emergence. Only crabgrass will be controlled with applications made up to 4 weeks after weed germination.

### Fall Application

This product can also be applied from late summer through early fall (late August through November). When applied in the fall, a sequential or second application of this product must be made the following spring to provide season-long control of crabgrass. If this product is applied in the fall, do not reseed, overseed or sprig turfgrasses within 12 weeks after application.

[Use the following sections for ornamental landscape application.]

[TURF Fertilizer Plus Dimension® Weed Control or This product] provides preemergence control or suppression of listed annual grass and broadleaf weeds in plantings of ornamental plants listed on this label.

[[TURF Fertilizer Plus Dimension® Weed Control or This product] works all season long. One easy application prevents listed weeds up to 4 months. This product contains a fertilizer to promote beautiful color, blooms, foliage and strong root growth. This product can be used anytime during the spring, summer or fall in flower gardens, around ground covers, trees and shrubs. Although this product will not kill existing weeds, it will prevent new listed weeds from sprouting – eliminating the need for difficult and time-consuming hand weeding. Without weeds, your valuable plants can grow larger and stronger. Your beds will stay neat and weed-free\* all season long.

\*See use directions for complete list of treated weeds.

**Use Rates [Application Instructions] [How to Apply]**

Apply [TURF Fertilizer Plus Dimension® Weed Control or This product] with a properly calibrated spreader or other means that will assure uniform distribution. This product may be applied as a single application or as a split application. Split or sequential applications may be used to provide improved weed control or to provide extended weed control in areas with long growing seasons. To make a split application, divide the rate in the following table into separate applications made 5-10 weeks apart. Sequential applications may be made in the late summer following a spring application or in the spring after a fall application, provided the maximum application rates per year given below are not exceeded.

Pounds of Product per 1000 Square Feet <sup>†</sup>	Ounces of Product per 100 Square Feet <sup>††</sup>
6.0	0.6 (9.6 oz.)

<sup>†</sup> 1,000 square feet equals an area 100 feet X 10 feet or square area of about 32 feet on a side.

<sup>††</sup> Rate based on an area of 100 sq. ft. for treatment of small areas.

**Maximum Application Rates:**

- **Do not** apply more than 6.0 lb. of this product per 1,000 sq. ft. per application and no more than 18.0 lb. of this product/1000 sq. ft. per year (equivalent to 0.5 and 1.5 lb. of active ingredient per acre, respectively). The maximum number of applications per treatment site is 3 per year.
- In the state of New York, do not exceed 3.0 lb. of this product per 1000 sq. ft. per year (equivalent to 0.25 pounds of active ingredient per acre).

[Optional application instructions] [How to Apply]

To avoid plant injury, do not apply [TURF Fertilizer Plus Dimension® Weed Control or this product] when foliage is wet. When plants are dry, sprinkle [TURF Fertilizer Plus Dimension® Weed Control or this product] on soil surface at rate given below. Once activated by watering, [TURF Fertilizer Plus Dimension® Weed Control or this product] forms a weed control barrier in the top layer of soil, preventing listed weed seeds from germinating. Disturbance to the soil surface after activation may result in erratic weed control.

**Applying Around Established Plants**

For flowers, roses, herbs, ground covers, ornamental grasses, shrubs and trees: sprinkle [TURF Fertilizer Plus Dimension® Weed Control or this product] evenly over the entire soil surface, at the rate of 9.6 oz. per 100 sq.ft.[6.0 lb per 1000 sq. ft. ^ [(see picture)], being sure to keep granules away from plant roots and foliage. Water [TURF Fertilizer Plus Dimension® Weed Control] into soil surface. Always wash or brush off stray granules from plant foliage to avoid damage or discoloration.

Surface application rate

Sprinkle [TURF Fertilizer Plus Dimension® Weed Control or this product] as shown on soil surface.

[INSERT IMAGE W/COIN]

Applying With Mulch

For best weed control, apply [TURF Fertilizer Plus Dimension® Weed Control or this product] after spreading mulch on your flower and shrub beds. Sprinkle [TURF Fertilizer Plus Dimension® Weed Control or this product] on top of mulch at [0.96 oz. per10 sq. ft.] [9.6 oz. per100 sq.ft.] [6.0 lb per 1000 sq. ft.],^ being sure to keep granules away from plant foliage. Water [TURF Fertilizer Plus Dimension® Weed Control or This product] into mulch. Always wash or brush stray granules from plant foliage to avoid damage or discoloration.

^In the state of New York use 4.8 oz. per 100 sq. ft. [3.0 lb. per 1000 sq. ft.] per year.

Application Timing and Directions [When To Apply]

[TURF Fertilizer Plus Dimension® Weed Control or This product] is a preemergence herbicide that will not control established weeds. Make applications prior to weed seed germination. Bare ground or mulched areas may be treated. The best weed control is obtained when applied to soil that is free of clods, weeds and debris such as leaves. Prior to making an application, control existing vegetation by hand weeding, cultivation or with a postemergence herbicide. Avoid disturbance of treated areas. Loss of weed control may result if the treated soil surface is disturbed by soil mixing or tillage.

Apply [[TURF Fertilizer Plus Dimension® Weed Control or this product] in the spring, summer or fall around established plants and transplants. [Do not use [TURF Fertilizer Plus Dimension® Weed Control or this product] on flower seeds. Use after flowering plants have germinated and are 2-3 inches tall. Since it does not kill existing weeds, you must first remove any weeds that have already begun to grow. By applying [[TURF Fertilizer Plus Dimension® Weed Control or this product] as early as possible, you can eliminate the need for hand weeding. Rain does not wash this product out of the soil. For optimum weed control and plant feeding, reapply this product every 4 months.

Use Precautions

- Apply this product only to established ornamentals.
- **Do not** apply this product directly to bare roots of ornamental plants as injury may result.
- **Do not** incorporate this product into soil. Dilution of active ingredient and possible injury to plant roots may occur.
- **Do not** apply to soil around ornamental plants that are under stress due to drought, flooding, excessive fertilizer or soil salts, wind injury, hail, frost damage, winter injury, injury from previously applied pesticides or injury due to insects, nematodes or disease.
- To avoid foliar damage to ornamentals, irrigate immediately after application to remove herbicide particles from the foliage.

- **Do not** apply under conditions that would affect product distribution. Wind could affect distribution and move product onto sensitive species. Uneven product distribution will result in uneven weed control.
- Do not allow people or pets to enter treated area until dust has settled.

### Weeds Controlled or Suppressed

Used as directed, [TURF Fertilizer Plus Dimension® Weed Control or this product] will control crabgrass and control or suppress other listed grass and broadleaf weeds when applied prior to their germination. This product will not control established broadleaf weeds or grasses, except for crabgrass in early stages of development. The area to be treated must be free of weeds prior to application.

**Acceptable for use on the following Ornamentals**

[TURF Fertilizer Plus Dimension® Weed Control or this product] is suggested for use around these established plants.

The ornamentals listed below have shown little to no injury to this product when applied according to label directions. However, this product has not been tested on all ornamental species, all cultivars of species on this label, or under all possible growing conditions. For species or cultivars not listed, it is suggested that a few plants in a limited area be treated and observed for potential injury under local growing conditions prior to large-scale use.

† Ornamental species only: Do not use on food producing trees and ornamentals.

[Optional for reusable rigid plastic container with application device][This container with applicator cap is reusable with [TURF Fertilizer Plus Dimension Weed Control or this product]. Refill the container with desired amount of this product and use as directed. When done, store or dispose this container as listed on the label.]

**Storage and Disposal**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store this product only in its original container in a cool, dry, locked place out of the reach of children and animals.

**Pesticide Disposal and Container Handling:** Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**WARRANTY**

**IMPORTANT: READ BEFORE USE**

Read the entire Directions for Use, Conditions, Disclaimer of Warranties and Limitations of Liability before using this product. If terms are not acceptable, return the unopened product container at once.

By using this product, user or buyer accepts the following Conditions, Disclaimer of Warranties and Limitations of Liability.

**CONDITIONS:** The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Lebanon Seaboard Corporation [Company Name]. All such risks shall be assumed by the user or buyer.

**DISCLAIMER OF WARRANTIES:** To the extent consistent with applicable law, LEBANON SEABOARD CORPORATION [COMPANY NAME] MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE, THAT EXTEND BEYOND THE STATEMENTS MADE ON THIS LABEL. No agent of Lebanon Seaboard Corporation [Company Name] is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. To the extent consistent with applicable law, Lebanon Seaboard Corporation [Company Name] DISCLAIMS ANY LIABILITY WHATSOEVER FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT.

**LIMITATIONS OF LIABILITY:** To the extent consistent with applicable law, THE EXCLUSIVE REMEDY OF THE USER OR BUYER FOR ANY AND ALL LOSSES, INJURIES OR DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, WHETHER IN CONTRACT, WARRANTY, TORT, NEGLIGENCE, STRICT

LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE PURCHASE PRICE PAID, OR AT LEBANON SEABOARD CORPORATION'S [Company's Name] ELECTION, THE REPLACEMENT OF PRODUCT.

[Optional Label Claims]

**Claims Miscellaneous**

1. [Bar code] [product number]
2. [Item number]
3. [Not] Proof of Purchase
4. If the fertilizer guarantee contains iron, the following statement must appear:  
[Note:] [Notice:] This product contains the secondary nutrient iron. Iron may stain concrete surfaces and should not be applied on dry or water dampened concrete and must be removed from these areas promptly after application by sweeping or blowing. Do not wash off with water.
5. The following statement must appear (relevant to the fertilizer guarantee):  
[Note:] Information regarding the contents and levels of metals in this product is available on the internet at <http://www.regulatory-info-lebsea.com>.
6. The following statement may appear when the application rate applies less than 1 pound of nitrogen per 1,000 sq. ft.:  
[Note:] Supplemental applications of lawn fertilizer are needed to achieve a minimum of 1 pound nitrogen per 1,000 sq. ft.
7. The following statement may appear if application rate instructions specify different rates based on different regions in Florida:  
[Optional fertilizer text for state of Florida] Florida Applications: [X] annual feedings [with the exception of [listed turfgrass species (X feedings in the north and X feedings in the central and south).] This package applies X.X lbs of product per 1,000 sq. ft.]
8. For products sold in the state of Florida, the following statement may appear:  
[Optional text for state of Florida] Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk, or street, back onto your lawn/garden.
9. The following statement regarding application rates, may appear where application instructions specify an application rate that exceeds a state(s) maximum allowable rate:  
In the state of [insert state], apply a maximum of [XX.X] lb. product/1,000 sq.ft. [Make no more than [X] application[s] per year.]
10. Apply once for the whole season
11. For use on cool and warm season turfgrass

**Claims regarding Weed Control Properties**

1. 4 Month [16 week] weed\* control
2. Controls new weeds\* for [up to] 4 months [16 weeks]
3. Controls over 40 weed\*s for 4 months [16 weeks] (Note: 40 listed weeds)
4. Dimension® is a registered trademark of Dow AgroSciences LLC.
5. Effective weed\* control – prevents weeds all season long
6. Prevents crabgrass all season
7. Stops [crabgrass] [annual bluegrass] [chickweed] [henbit] (select any listed weed)
8. Stops crabgrass before it starts
9. Stops Crabgrass, Goosegrass, Chickweed, Oxalis And Many Other Broadleaf and Grass Weeds Before They Emerge and Invade the Turf.
10. Weed images [annual bluegrass, chickweed, crabgrass, henbit] (select any listed weed)
11. [3, 4] month weed\* preventer
12. A preemergence herbicide for control of listed broadleaf weeds and annual grasses in:
  - Container grown ornamentals
  - Ground covers/perennials
  - Landscape ornamentals
  - Non-bearing fruit and nut trees\*\*\*
  - Non-bearing Ornamental fruit and nut trees\*\*\*
13. [Stops] [Prevents] [Blocks] crabgrass for 4 months!
14. 4 Month Weed\* [Barrier] [Control]
15. A Work – Saver Product For The Joy Of Weed-Free\* Gardens
16. Can be applied up to 4 weeks later than other crabgrass products
17. Complete crabgrass control
18. Controls tough grasses and weeds\* [for example or i.e. (select any listed weeds)] [even (select any listed weeds)]
19. Creates a barrier against crabgrass
20. Effective Weed\* Control – Prevents weeds during growing season – eliminates the need for hand weeding.
21. Eliminate [time consuming] hand weeding
22. Eliminates crabgrass
23. Kills [young] crabgrass [up to 4 weeks after germination]
24. Kills young crabgrass [in early stages of growth]
25. Longer application window
26. No More Crabgrass!
27. One application [prevents weeds\*] [controls crabgrass] [for 3, 4) months]
28. Prevents 40+ [common] weeds\* [from germinating] [for 4 months]
29. Prevents [40] [+] [tough] [common] [lawn] weeds\*
30. Prevents [new] weeds\* for [up to] 4 Months [guaranteed]
31. Prevents [tough] [southern] weeds\* including (select weeds from list) [ and other common weeds\*]
32. Prevents [(select any listed weeds)] and many other weeds\*
33. Prevents [(select any listed weeds)] and other common weeds\*
34. Prevents [both] grasses and broadleaf weeds\* [with one application] [before they get started]

- 35. Prevents crabgrass and [40][+] common lawn weeds\* [ for up to 4 months]
- 36. Prevents crabgrass and grassy weeds\*
- 37. Prevents new weeds\* for [up to] [(3, 4) months]
- 38. Prevents the toughest[southern] weeds \*
- 39. Prevents tough southern weeds like [(select any listed weeds)]
- 40. Prevents weeds\* [up to] [for] [(12, 16) weeks] [(3, 4) months]
- 41. Prevents Weeds\* in Ornamental beds and around Bulbs, Flowers, Roses, Herbs, Ground Covers, Ornamental Grasses, Shrubs & Trees
- 42. Prevents weeds\* without harm [\*\*] [(\*\*) Please refer to plant list where product can be used]
- 43. Provides [up to] [(3,4)] months weed\* control
- 44. Season long weed\* preventer
- 45. Shake on Mulch Every 4 Months [with placeholder pictogram Shaker and product]
- 46. Southern [Garden] Weed Preventer\*
- 47. Sprinkle around flowers, trees, shrubs [every (3, 4) months]
- 48. Sprinkle once to prevent weeds\* [for ] [up to] [(3,4) months]
- 49. Stop weeds\* before they start around flowers, trees, shrubs
- 50. Stop Weeds\* Before They Start[!] [™]
- 51. Stops [new] Weeds\* for [up to] 4 Months [guaranteed]
- 52. Stops [new] weeds \* [guaranteed]
- 53. Stops crabgrass !
- 54. Stops crabgrass [growth] [and 40 common weeds\*]
- 55. Stops weeds\* before they start
- 56. The Flower and Garden Weed Preventer\*
- 57. This WORK-SAVER product prevents weeds\* in one [easy] application.
- 58. Use for a beautiful weed free landscape
- 59. Weed images (select any from list)
- 60. Weed-fighting formula
- 61. Won't harm plants[\*\*] [(\*\*)Please refer to plant list where product can be used] [(\*\*)When used as directed]

\*See Use Directions for complete list of treated weeds.

\*\* See Use Directions for complete list of acceptable ornamentals.

\*\*\* Do not use on food producing trees and ornamentals.

**Claims regarding Combination Weed Control and Fertilizer**

- 1. Kills Weeds\* While Feeding Your Lawn.
- 2. Prevents weeds\* [and fertilizes the lawn]
- 3. Prevents weeds\* and feeds your lawn [turf] [for 4 months] [for up to 4 months] [for 16 weeks] [for up to 16 weeks]
- 4. Stops weeds\* and feeds your lawn [turf] [for 4 months] [for up to 4 months] [for 16 weeks] [for up to 16 weeks]
- 5. [2 in 1] [Southern] Weed\* Preventer Plus Plant Food
- 6. [Control] [prevents] crabgrass & fertilizes

- 7. 4 Month Weed\* [Control] [Preventer] with Plant Food
- 8. Blocks Crabgrass & Feeds [for 3 months]
- 9. Complete Crabgrass Control with fertilizer
- 10. Lawn Nutrients and Weed\* Control in one convenient formula!
- 11. More Blooms, Fewer Weeds\* [for 4 months]
- 12. One application prevents weeds\* and fertilizes
- 13. Prevents weed\*s and feeds plants
- 14. Prevents crabgrass - thickens lawns
- 15. Prevents crabgrass and feeds 4 months
- 16. Prevents Weeds\* & Fertilizes in Ornamental beds and around Bulbs, Flowers, Roses, Herbs, Ground Covers, Ornamental Grasses, Shrubs, Trees & Vegetables
- 17. Prevents weeds\* and feeds for (3,4) months
- 18. Prevents weeds\* and feeds plants
- 19. Prevents weeds\* and feeds plants up to 4 months
- 20. Prevents weed\*s up to 4 months and feeds plants
- 21. Season-long weed preventer\* and fertilizer
- 22. Stops crabgrass growth - Builds thicker, greener lawns
- 23. Stops Weeds\* and feeds plants!
- 24. Stops Weeds\*, Feeds Plants [for Southern Gardens]
- 25. The Flower and Garden Weed Preventer Plus Fertilizer [Plant Food]
- 26. This WORK-SAVER product prevents weeds\* plus fertilizes in one [easy] application.
- 27. Total Season Crabgrass Control [plus fertilizer]

\*See use directions for complete list of treated weeds.

**Claims regarding Fertilizer Properties**

- 1. [TURF Fertilizer Plus Dimension® Weed Control] – All the fertilizer nutrients your lawn [turf] needs for spring
- 2. [TURF Fertilizer Plus Dimension® Weed Control] – Providing the Nutrients Needed for Beautiful Lawn [and Ornamentals.]
- 3. Builds strong, deep roots, for a thick, green lawn [turf]
- 4. Fertilizes to provide rich color [and vigorous growth]
- 5. Improves soil fertility
- 6. Larger Roots / Greener Lawn
- 7. No phosphate [helps protect our waterways] (for use when fertilizer analysis has “0” phosphate).
- 8. Promotes rapid root growth
- 9. Promotes root growth for a thicker, greener lawn [turf]
- 10. Protects & [and] strengthens for a better spring lawn [turf]
- 11. Provides your soil with nutrients
- 12. Restores nutrients to your soil
- 13. Restores nutrients to your soil for a quick spring green up [green-up]
- 14. Zero phosphate [helps protect our waterways] (for use when fertilizer analysis has “0” phosphate).
- 15. [feeds] [provides] for quick spring greening of lawn [grass][turf]
- 16. [Feeds] for a [quick] [early] spring green up of lawn [grass][turf]

- 17. [for] [Builds] [a] thicker, [stronger,] greener lawn [grass] [turf]
- 18. [phosphorus] [phosphate] free [Allowed only when "zero" phosphate indicated.]

- 19. (Symbol for heat/drought resistance)

- 20. (Symbol for stronger roots)
- 21. [xx%] readily available nitrogen
- 22. Beneficial, High Quality Fertilizer – For abundant blooms, increased yields, strong root development and improved plant vigor.
- 23. Builds [strong] deep roots [to retain water] [to protect from drought and heat] [to endure heat, drought] [ for better heat and drought tolerance]
- 24. Builds stronger roots [for maximum drought resistance] [for maximum greening of lawn [grass][turf] [for maximum water absorption]
- 25. Deeper roots better retain water to protect from heat and drought
- 26. Deeper, stronger roots means less watering needed
- 27. Feeds [plants] for more blooms!
- 28. Feeds for [bigger,] more colorful plants
- 29. Fertilizes [Feeds] your plants
- 30. Great results, first season of use –guaranteed.
- 31. Grow a thicker, greener lawn with less water
- 32. Helps plants retain water to protect against heat and drought
- 33. Improves water absorption [in turf grasses]
- 34. Less watering, [drought resistant] due to [stronger] [deeper] roots
- 35. No burning when used as directed.
- 36. Promotes [vibrant] [more] [colorful] blooms
- 37. Replenishes soil nutrients [for a thicker, greener lawn]
- 38. Restores nutrients [to your soil] for a quick spring green up of lawn [grass][turf]
- 39. Strengthens plants against heat and drought
- 40. Strong[er] roots [can] [will] absorb [more] water [better] [with less effort]
- 41. There's no chance of overfeeding or burning your plants when used as directed.
- 42. This product contains a [fertilizer] [plant food] consisting of nitrogen, phosphorus, and potassium to keep your plants growing strong.
- 43. With Brilliant Blooms [Plant Food]
- 44. Won't burn your plants

**Claims regarding Slow Release Fertilizer Properties**

1. [TURF Fertilizer Plus Dimension® Weed Control or This product] feeds and greens with [slow release] fertilizer [for up to 3 months] [for up to 12 weeks].
2. Feeds [greens] [strengthens] [thickens] your lawn for up to 3 months [12 weeks].
3. Feeds your lawn [turf] up to 12 weeks
4. Greens up to 3 months [12 weeks]
5. MESA® is a registered trademark of Lebanon Seaboard Corporation.
6. Patented, controlled release nitrogen for continuous feeding
7. Quick and continuous greening for up to 3 months [12 weeks]
- 8.

XX	XX	XX
Nitrogen (N)	Phosphorous (P)	Potassium (K)
Contains Timed-Release Nitrogen for growing a thick green lawn [Stimulates growth and encourages a thick. green lawn]	Improves Root [Improves root growth and Plant Storage Capacity]	Improves Plant Hardiness & Drought Resistance

9.  (Number symbol as shown in circle – number will range from 1 to 12 weeks/months)
10. [1 to 12] Feeds your lawn up to [X] [weeks] [months].
11. [Controlled] [Slow] Release feeding up to [X] weeks
12. [Controlled] [Slow] Release Plant Food
13. [METH-EX®] [MESA®] Provides slow, continuous feeding for up to 12 weeks. Initially some nitrogen is released by water to provide early spring green-up of lawn [grass][turf]. As soil temperatures warm, nitrogen is gradually released through microbial action that minimizes surge growth.
14. [with] [Continuous Release] Plant Food
15. [xx%] slowly available nitrogen
16. Change to a more efficient, top-performing fertilizer
17. Continuous feeding [for] [up to] [(X weeks) (X months)]
18. Extended Feeding Plant Food
19. Extended time-release feeding of nitrogen lasts into the summer.
20. Featuring both immediate release and controlled-release nutrients.
21. Featuring MESA® Slow Release Nitrogen
22. Feeds [for] [up to] [X months] [X weeks]!
23. Feeds [lawns] for 3 months!
24. Feeds [plants] [for] [up to] [X months]!
25. Feeds [your] [the] lawn [for 3 months]

- 26. Fertilize once for whole growing season.
- 27. Get spectacular results with an enhanced efficiency fertilizer.
- 28. METH-EX® is a registered trademark of Lebanon Seaboard Corporation.
- 29. No flush growth response after application means less clippings.
- 30. One easy application feeds your plants [for 3 months] to promote beautiful color, blooms, foliage and strong root growth.
- 31. Slow release nitrogen helps prevent leaching into area water systems when applied as directed.
- 32. What is Slow Release Nitrogen?
- 33. with [Controlled] [Slow] Release Plant Food

**Claims regarding cap for Ornamental Landscape package**

- 1. [1] [2] [AA] [AAA] Batteries [included]
- 2. [Dispenses] [Flows] [Spreads] evenly, [less work]
- 3. [Easy] [EZ] [Flow] [Even Flow] [MaxControl] [Battery Powered] [Automatic] [Auto] [Shaker] [Power] [Applicator] [Spreader] [Dispenser]
- 4. [Fast &] Easy, [shake-free dispensing] [just hold and go]
- 5. [Just] hold and go!
- 6. [Require] [1] [2] [AA] [AAA] Batteries [(included)]
- 7. [XX]% more [product] [coverage]
- 8. Applicator [Scoop] Included [pictogram placeholder for applicator]
- 9. Automatic motor shut-off when lid is closed
- 10. Bonus size [XX]% more [product] [coverage]
- 11. Easy to Apply – Just shake on
- 12. EASY TO USE APPLICATOR [Insert image]
- 13. [For] [Provides] [uniform] [even] [accurate] coverage
- 14. [Allows for] [Provides] more precise application

**Claims regarding GreenSmart Fertilizer Properties**

- 1. GreenSmart Enhanced Efficiency Fertilizer for a Green Lawn
- 2. [contains] [with] GreenSmart
- 3. GreenSmart
- 4. GreenSmart (logos)

5. GreenSmart and design is a trademark of Lebanon Seaboard Corporation
6. 20% less nutrients required for the same great lawn [turf] results [with GreenSmart Enhanced Efficiency Fertilizer]
7. Enables lawns [turf] to use nutrients more efficiently
8. ~~Enhanced Efficiency Fertilizer~~
9. Enhances nutrient absorption
10. Enriches soil to promote a vibrant, hardy lawn [turf]
11. GreenSmart enhances poor soil, creating an environment in which lawns [turf] can thrive. GreenSmart produces thick, green lawns [turf].
12. GreenSmart nourished lawns [turf] are more robust because their root systems are larger, deeper and better developed. Vigorous roots mean[s] the lawn [turf] is hardier and better able to tolerate the stress that comes with heat and drought.
13. GreenSmart produces thick, green lawns [turf]
14. Helps lawns [turf] retain water to protect against heat & [and] drought
15. Helps unlock nutrients already in the soil
16. Improved Nitrogen Efficiency - Reduces Leaching
17. [GreenSmart Enhanced Efficiency Fertilizer - ] Improved nutrient release and absorption into the lawn [turf] allows 20% less nutrients to be applied while still providing [a] quality lawn [turf]
18. Improves drought resistance
19. Improves lawn's [turf's] ability to absorb water & [and] nutrients
20. Increase nutrient up-take in grass [lawns] [turf] up to 20% [with GreenSmart Enhanced Efficiency Fertilizer]
21. Lawn[s] [turf] [and plants] nourished with [company name's] GreenSmart are [is] able to tolerate the stress from heat and drought. GreenSmart produces large, deep, and well developed root systems that can retain water. This enables lawns [turf] [and plants] to withstand stressful conditions.
22. Less watering needed
23. Less watering needed, drought resistant [lawn] [turf]
24. Makes it easier for lawns [turf] to absorb soil nutrients
25. N-P-K with GreenSmart [Enhanced Efficiency Fertilizer for a Green Lawn]
26. Plants [lawns] [turf] use[s] nitrogen more efficiently so you need less
27. Poor soil may have fewer of the nutrients needed to promote a vigorous lawn [turf]. GreenSmart works by enriching your soil with nutrients. GreenSmart revitalizes the soil, which aids in the development of a larger, deeper and better root system. The enhanced habitat is proven to produce a green, thick, vigorous lawn [turf], and reduces the need for watering.
28. Promotes rapid root growth [for a thick green] [lawn] [turf]
29. Recharges your soil with nutrients!
30. Reduces plant [lawn] [turf] stress related to drought
31. Reduces stress on lawns [turf], protects from drought & heat
32. Speeds root growth to improve nutrient absorption
33. Unlocks the nutrients in soil, enhancing nutrient absorption, so you can grow a thicker, greener lawn [turf] with less water.
34. Unlocks the nutrients in your soil
35. A high-quality product, made with GreenSmart.

- 36. Because your grass is better able to absorb and use the nutrients and moisture provided by the surrounding soil, less fertilizer ingredients are needed.
- 37. Better lawn nutrition [means] [results in] stronger, heartier grass.
- 38. Boosted root development helps retain water to protect against heat and drought, so less watering is needed.
- 39. Enriches soil, nourishing [lawn][plants] to become stronger and more able to withstand stresses like drought — so you can water less.
- 40. Fertilizers with GreenSmart represent a new class of lawn-care treatment options.
- 41. For the results you want – for the neighborhood you can be proud of.
- 42. Good nutrition is an essential part of being personally fit, and a big part of a quality lawn too.
- 43. GreenSmart – Proven performance.
- 44. GreenSmart [provides] [adds] nutrients where they are needed most, stimulating root growth and improving the efficiency of the lawn’s natural root system.
- 45. GreenSmart enhances soil habitat to improve nutrient absorption. Better plant nutrition means stronger, heartier plants.
- 46. GreenSmart helps build strong plants that need less watering because stronger, flourishing lawns are more able to withstand heat and drought.
- 47. GreenSmart helps reduce lawn stress due to heat and drought.
- 48. GreenSmart helps revitalize soil, making more [conventionally] [commonly] [normally] occurring nutrients available.
- 49. GreenSmart introduces beneficial nutrients that promote stress-resistance in [plants ] [lawns]
- 50. GreenSmart is an exclusive, nutrient-rich formula that promotes plant quality
- 51. GreenSmart is rich in essential nutrients [plants] [lawns] need.
- 52. GreenSmart is rich in essential soil nutrients plants need for optimal plant quality.
- 53. GreenSmart promotes a lawn that’s heartier and better able to sustain itself.
- 54. GreenSmart promotes better water retention to protect against heat and drought
- 55. GreenSmart provides lawns [turf] with nutritional support to help promote and maintain overall plant vigor resulting in a beautiful, green lawn.
- 56. GreenSmart provides nutritive benefits to the [lawn] [plants] [turf] to enhance nutrient reception.
- 57. GreenSmart. Look for it in quality lawn and garden products.
- 58. GreenSmart’s nutrients stimulate soil habitat efficiency and promote development of deeper roots for a lawn that needs less watering, and produces grass that’s hearty and drought resistant.
- 59. Improves water conservation by building strong roots and more stress-tolerant plants
- 60. More efficient nutrient delivery, providing similar results with less nitrogen than traditional fertilizers
- 61. More efficient nutrient delivery; requires less nitrogen inputs.
- 62. Now with [GreenSmart logo]
- 63. Provides similar greening results with up to [20%] [30%] less nitrogen than traditional fertilizers.
- 64. Reduces need for watering by increasing tolerance to drought and heat.
- 65. Revitalizes soil habitat to grow stronger, heartier plants.
- 66. Take pride in your lush, green lawn – and pride in your neighborhood

- 67. ~~The added efficiency provided by GreenSmart goes beyond a green, vibrant lawn because it promotes reduced leaching of nutrients into waterways.~~
- 68. When it comes to growing a green lawn, GreenSmart is downright brilliant!
- 69. With GreenSmart, your grass is better able to get what it needs to thrive. ~~The added efficiency provided by GreenSmart goes beyond a greener lawn.~~
- 70. www.greensmart.com
- 71. You can feel good about the beautiful, green lawn results — and the positive impact on your neighborhood.
