

DIRECTIONS

LACCO LIN-O-SOL 20 is a specially formulated Lindane product to be diluted in oil base carriers for use by Pest Control Operators in conventional mist sprayers, and in aerosol equipment.

HOUSEHOLD PESTS (In buildings not occupied by humans or domestic animals, and where no feeds or food-stuffs are exposed): Use 1 part of this product in 9 to 16 parts of odorless kerosene, and apply with atomizing equipment. Where conventional mist-type applicators are used, mix 1 part of this product with 20 parts of odorless kerosene.

FLIES, GNATS: Close up infested area, and spray thoroughly. Leave closed for at least 10 minutes after treatment.

ROACHES, SILVERFISH, SPIDERS: Spray on pests directly, where possible, and into cracks and other hiding places. Repeat treatments as needed.

PINE BARK BEETLES: 1 qt. in 10 gallons kerosene or No. 2 fuel oil. Spray the trunks thoroughly or use 1 qt. LIN-O-SOL 20 in 8 gallons of water. Wet trunks to the point of runoff. Spray to the height of the beetle infestation.

Contains 1.6 pounds Lindane per gallon.

CAUTION!

KEEP OUT OF REACH OF CHILDREN

ACTIVE INGREDIENTS:

Lindane (Gamma Isomer of Benzene Hexachloride)	20.0%
Xylene	72.0%

INERT INGREDIENTS:	8.0%

WARNING - FLAMMABLE!
KEEP AWAY FROM HEAT OR OPEN FLAME

Do not reuse empty drum. Return to drum reconditioner or destroy it by perforating or crushing and burying in a safe place away from water supplies.

Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

CAUTION

Keep container closed. Harmful if swallowed. May be absorbed through skin. Avoid inhalation and skin contact. Use with adequate ventilation. In case of contact, wash immediately with soap and water. Avoid contamination of feed and foodstuffs. Do not use on household pets or humans.

This product is toxic to fish and other wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, streams, or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

NOTICE: Recommendations for the use of this product are based upon information believed to be reliable at time of printing. The use of this product being beyond the control of LOS ANGELES CHEMICAL COMPANY, no guarantee, expressed or implied is made as to the effect of such or the results to be obtained if not used in accordance with directions or established safe and sound practice. The BUYER must assume all responsibility including injury and/or damage, resulting from its misuse as such or in combination with other products.

DIRECTIONS

LACCO LIN-O-SOL 20 is a specially formulated Lindane product to be diluted in oil base carriers for use by Pest Control Operators in conventional mist sprayers, and in aerosol equipment.

HOUSEHOLD PESTS (In buildings not occupied by humans or domestic animals, and where **no feeds or food-stuffs are exposed**): Use 1 part of this product in 9 to 16 parts of odorless kerosene, and apply with atomizing equipment. Where conventional mist-type applicators are used, mix 1 part of this product with 20 parts of odorless kerosene.

FLIES, GNATS: Close up infested area, and spray thoroughly. Leave closed for at least 10 minutes after treatment.
