PLEASANTLY
SCENTED

STAINLESS

CAMICIDE BUG KILLER

DIRECTIONS:

To operate: Remove over-cap, press sprayer head to side. It will "pop-up" ready for spraying.

Use CAMICIDE as a SPACE spray to quickly knock-down and kill flying insects: Flies, Mosquitoes, Moths, Gnats, Wasps. Use as a SURFACE spray to kill crawling insects on contact: Kills Roaches, Ants, Silverfish, Spiders, Crickets, Clover Mites, Fleas.

FLIES, MOSQUITOES, GNATS, WASPS: Spray lightly in corners, under beds, tables, behind furniture, drapes. Spray upward into center of room. Keep room closed for 10 minutes. Avoid possible staining by keeping sprayer about 18 inches from walls, fabrics, furniture. Spray wasps and nests heavily. Repeat as needed.

ROACHES, WATER BUGS, SILVERFISH, SPIDERS, CRICKETS: Vigorously spray a liberal wet coating into all infested areas to drive insects out for direct contact. Spray heavily into all cracks, crevices, door and window trim, under sinks, cabinets, refrigerators, around drains, pipes and in warm, moist or dark places. Repeat as needed to maintain effective control. On severe infestations you may want to use SUPER STRENGTH CAMICIDE INSECT SPRAY.

ANTS, CLOVER MITES: Spray along trails, window and door sills, surfaces on which they crawl.

FLEAS: Spray kennel and bedding, floors and floor coverings in other infested areas. Repeat as needed.

MOTHS, CARPET BEETLES: Kills eggs, larvae, insects, on contact. Brush and air garments. Spray closet walls, floors, thoroughly. Keep nozzle 18 inches from garments. Thoroughly spray entire garment, especially pleats, seams, collars. Repeat in 30 days.

BEDBUGS: Dismantle bed, spray joints thoroughly. Treat bedding, and mattress, especially all seams, tufts. Spray walls, sills, baseboards, other room surfaces. Repeat as needed.

OUTDOOR USE: PATIOS, PICNICS, CAMPING: To temporarily repel pesky flies, Mosquitoes, Gnats. Spray frequently around chairs, tables, tents, ground area and surrounding air.

CAUTION: 1. Keep from reach of children, harmful if swallowed. Do not spray near exposed foods, or dishes. Do not spray near open flame. Do not spray near plant life, bird cages or fish bowls. Use care around asphalt tile, wipe off any excess immediately.

ACTIVE INGREDIENTS: 100% Pyrethrins, .075% Technical Piperonyl Butoxide, .375% Petroleum Distillate, 99.550%. *Consists of 30% (butylcarbityl) (6-Propyl Piperonyl) Ether, and .075% of related compounds.

GRADE AA Household Insecticide. Complies with U.S. Department of Commerce Standards CS 72-54.

ONE QUART.
