NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered under the Act, provided that you:

1. Submit and/or file all data required by the Act, including data on the safety of your product, under FIFRA Act, 240(c)(2) when it is used in accordance with the label of similar products to submit an application for registration.

2. If (a) data conditions are not complied with, the product is subject to cancellation in accordance with the Act, or (b) the product contains a pesticide which is not registered under the Act, the product is subject to cancellation in accordance with the Act.

3. Submit a copy of the label of the product to the Administrator.

4. Submit a copy of the label of the product to the Administrator.

5. The Administrator of EPA may, at any time, suspend or cancel the registration of the product if the product is found to be a duplicate of a product already registered under the Act.

6. The Administrator of EPA may, at any time, suspend or cancel the registration of the product if the product is found to be a duplicate of a product already registered under the Act.

7. The Administrator of EPA may, at any time, suspend or cancel the registration of the product if the product is found to be a duplicate of a product already registered under the Act.
