

SUPERIOR S. K. FORMULA

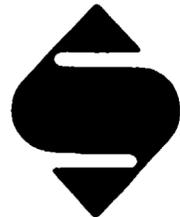

FOR CONTROL OF ROACHES, WATERBUGS,
ANTS, AND SILVERFISH

CAUTION:

KEEP OUT OF REACH OF CHILDREN AND PETS.

Harmful if swallowed. Avoid breathing of spray or skin contact. Avoid contamination of feed, food, foodstuffs or utensils. If spilled, wash off skin with soap and water. Wash thoroughly after using. Flash point 150°F.

Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

DIRECTIONS:

Apply S. K. FORMULA in a coarse, wet spray to baseboards, pipelines, around toilet fixtures and sinks, washing machines and dryers, cracks and crevices, windowsills, doorsills, screens, and any other surfaces where insects crawl, breed or hide. Treatment should be repeated at monthly intervals, or as needed.

Cover or remove aquaria in areas to be treated.

Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place away from water supplies.
