# BANZOL®

# BANZOL®

### DIRECTIONS FOR USE:

For spot application only. Use BANZOL® Industrial Insecticide as a spot treatment to control cockroaches, silverfish, spiders and other pests specified below. Apply as a coarse (large droplet) spray to localized areas where pests may occur. Spray surfaces until wet. Re-treat as needed.

**Cockroaches, Ants, Crickets, Silverfish, Spiders:** Spray dark corners of rooms and closets; cracks and crevices in walls; along baseboards and door and around window frames; behind and beneath sinks, stoves, refrigerators and cabinets and around garbage cans, plumbing and other utility installations. Pests driven out of hiding places should be sprayed directly. For ants apply to ant trails, also around doors and windows and wherever else these pests may find entrance.

**Brown Dog Ticks:** To control these pests, thoroughly apply as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor coverings where these pests may be present. Old bedding of pets should be removed and replaced with clean, fresh bedding after treatment. *Do not spray pets with this product.*

**Flies and Mosquitoes:** Use only out-of-doors as an aid in reducing annoyance from these insects. Spray outside surfaces of window and door frames as well as other areas where these pests may enter the home. Also spray dark corners and localized resting areas (such as under eaves) or porches, patios and garages where these insects may congregate. Flies and mosquitoes coming to rest on treated surfaces will be killed. Repeat treatment when effectiveness diminishes.

## Industrial Insecticide

Contains Dursban®

A ready-to-use formulation for control of cockroaches, ants, crickets, silverfish, spiders and brown dog ticks in and around homes, apartments, garages and similar residential structures. Also for use out-of-doors as an aid in reducing annoyance from flies and mosquitoes entering the home.

ACTIVE INGREDIENTS:	100.0%
Chlorpyrifos (0, 0-diethyl 0-3, 5, 6, -Trichloro-2-Pyridyl) phosphorothioate .....	0.5%
Pyrethrins .....	0.1%
** Piperonyl Butoxide, Technical .....	0.2%
N-octyl bicycloheptene dicarboximide .....	0.3%
Aromatic petroleum derivative solvent .....	0.3%
Petroleum distillate .....	98.6%

\*\* Equivalent to 0.16% (n-butylcarbonyl 6-propyl piperonyl) ether and .04% related compounds.  
\* DURSBAN® — Trademark of The Dow Chemical Company U.S. Patent No. 3,244,586

**CAUTION:** Keep out of reach of children. See side panel for additional cautions.

Manufactured by:  
**Superior Chemical Products, Inc.**  
Philadelphia, Pa. 19124

**NET CONTENTS 1 GALLON LIQUID**

**CAUTION:** Harmful if swallowed. If swallowed do not induce vomiting. Call a physician immediately. Avoid breathing vapors or spray mist. Do not smoke while using. Avoid contact with eyes, skin and clothing. Flush contaminated eyes with plenty of water, and get medical attention if irritation persists. Wash thoroughly after handling. Wash contaminated clothing before reuse.

Do not allow children to contact treated surfaces until spray has dried. Keep away from food, feedstuffs, and domestic water supplies. Do not allow spray to contact food, feedstuffs or water supplies. Thoroughly wash dishes and food handling utensils if contaminated with product.

Do not use in edible product area of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

Do not allow pets to contact treated surfaces until spray has dried. Remove pets and cover fish bowls before spraying.

This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur.

Do not contaminate water by cleaning or equipment or disposal of wastes.

Apply this product as a surface spray only as specified on this label. Do not use as a space spray. Do not use on plants.

Do not use, pour, spill or store near heat or open flame.

Do not reuse empty containers. If this container is of 1 gallon capacity or less, wrap container and put in trash container. If container is of larger than 1 gallon capacity, destroy when empty and discard in a safe place.

**Note to Physician:** Contains petroleum distillate. If gastric lavage is deemed necessary, undertake only after proper placement of a cuffed endotracheal tube. Active ingredients contain a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

**NOTICE:** Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions or under abnormal conditions or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
