1007-88

Date of Issuance:

DEC 21 1994

Term of Issuance: Conditional

Name of Pesticide Product:

Oxytetracycline  
Calcium Technical

NOTICE OF PESTICIDE:  
 Registration  
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Sanford W. Bigelow, Ph. D.  
Food Science Research and Development  
Central Research Division  
Pfizer Inc.  
235 East 42nd Street  
New York, NY 10017-5755

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Submit five copies of the final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS

**CAUTION:** Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Do not breathe dust. Wear a MSHA/NIOSH approved TC-21C dust filtering respirator, long sleeved shirt, pants, shoes, and chemical-resistant gloves while handling this product. Wash thoroughly after handling. This material is not to be used for medical, veterinary, or human purposes.

### ENVIRONMENTAL HAZARDS

This product may be hazardous to aquatic plants. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

**Storage:** Keep tightly closed. Product is temperature sensitive. Store below 25° (77°F) with minimum exposure to the atmosphere.

#### **Disposal:**

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into process equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. If the drum cannot be reused, dispose of in the same manner.
