U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505P)
Ariel Rios Building
1200 Pennsylvania Ave., NW
Washington, D.C. 20460

EPA Registration Number:
1007-94

Date of Issuance:
DEC - 3 2008

NOTICE OF PESTICIDE:
 Registration
 Reregistration
(under FIFRA, as amended)

Term of Issuance: conditional

Name of Pesticide Product:
Mita-Clear

Name and Address of Registrant (include ZIP Code):
Pfizer, Inc.
7000 Portage Road RIC-190-43
Kalamazoo, MI 49001

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) and (B) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. You make the following label changes:
Change the EPA Reg. No. to 1007-94.

Revise the Precautionary Statements in accordance with the attached toxicology review as follows:
Harmful if inhaled. Do not get on skin or clothing. Do not breathe vapor. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Wear long sleeved shirt and long pants, socks, shoe and gloves. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

Add to the First Aid Statements the following:
Have the product container or label with you when calling a poison control center or doctor or going for treatment

Signature of Approving Official:

Richard Gebken
Product Manager 10
Insecticide Branch
Registration Division (7505P)

Date:
DEC - 3 2008

In accordance with PR Notice 2007-4, add to the Container Disposal statements the following:

Nonrefillable container. Do not reuse or refill this container.

In accordance with PR Notice 2007-4, products must bear a batch code. This is a lot number or other code used by the registrant or producer to identify the batch of the pesticide product distributed and sold.

In accordance with the attached companion animal safety review, this product is conditionally registered with the stipulation that it is understood that at some future date the continued registration of this product along with any similar products may require supporting companion animal safety studies.

Please note that a notice of availability of EPA's reregistration eligibility document (RED) for products containing pyrethrins, piperonyl butoxide and n-octyl bicycloheptene dicarboxamide was published in the Federal Register on July 26, 2006 and for di-n-propyl isocinchomeronate on May 23, 2003. Additional data and/or labeling changes may be required for products containing pyrethrins, piperonyl butoxide, n-octyl bicycloheptene dicarboxamide and di-n-propyl isocinchomeronate. For more information, see the following website: <http://www.epa.gov/pesticides/reregistration/status.htm>

Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

The basic confidential statement of formula dated November 10, 2008 is acceptable and supersedes the previously submitted basic confidential statement of formula.

Mita-Clear

Kills Ear Mites
For Dogs-Puppies-Cats-Kittens

Emergency contact: 1-800-366-5288

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not add directly to water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To Kill Ear Mites: Clean ear with an otic solution. Place a sufficient amount of Mita-Clear into each ear to thoroughly coat the surface of the ear canal. Gently massage the base of the ear. Leave lotion in ear for a few minutes and carefully wipe the excess lotion from the ear with cotton. Do not reapply for 7 days. Lotion to be applied twice at 7-day intervals.

<p>Storage and Disposal STORAGE: Store in a cool, dry area away from heat and open flame. Don not contaminate water, food, or feed by storage or disposal. Do not transfer contents to other containers. Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or disposal instructions. Never place unused product down any indoor or outdoor drain.</p>
