DIRECTIONS FOR FORMULATION

For use as a repellent component in the manufacture of oil-based, water-based, pressure-sprayed, or aerosol sprays to protect and repel flies from livestock, house flies, horse flies, deer flies, and other biting insects. Not for use on humans or animals. Do not use on plants or animals for which they are not registered.

Sprays used as repellents as well as insecticidal properties. Do not use STABILENE in combination with registered insecticides. Registered synergists may be used if desired. Always use such spray formulations are applied thoroughly and uniformly to the animals, they will control fly annoyance and fly attack by biting and nuisance flies. It is understood that these sprays will be used in an integrated pest control program which includes maintenance of cleanliness and sanitation.

WARRANTY

1. The manufacturer guarantees and warrants (a) that the active ingredient content and the total net weight are as stated within lawful limits and (b) that the directions, warnings and other statements on this label are based upon responsible experts' evaluation of numerous tests of effect versus toxicity to laboratory animals and to plants, and of tolerance on food crops, and upon reports of field experience. Tests have not been made on all varieties or on all soils.
2. The manufacturer further warrants that the material herein is reasonably fit for use under normal conditions as directed hereon. The manufacturer neither makes nor authorizes any agent or representative to make any other warranties of FITNESS OR OF MERCHANTABILITY, guarantee or representation, express or implied, concerning the material. This product is sold only on the basis that buyer assumes all risks of use or handling which result in loss or damage and which are beyond manufacturer's control. No claim of any kind, and whether or not based on negligence, shall be greater in amount than the purchase price of the material in respect of which such claim is made. In no event shall manufacturer or seller be liable for special, indirect or consequential damages resulting from the use or handling of this material.
3. No modification of this warranty and disclaimer is authorized, except by specific reference to them in writing by an employee of the manufacturer.
