bursting. Cover foodstuffs and  
eating utensils while spraying.

# FLEA & TICK SPRAY

**KILLS FLEAS  
TICKS  
LICE**

**CAUTION:** Keep out of reach of children  
See side panel for additional cautions

**SHAKE WELL BEFORE USE**

Remove cap, hold can in upright  
position. Spray from a distance  
of 8 to 12 inches.

To kill fleas, ticks and lice on  
dogs and cats, cover entire  
animal with spray, starting at  
head, working to rear. Pay parti-  
cular attention to areas in and  
around ears, back, and under-  
side of legs. Brush against hair,  
exposing skin, while spraying.  
Do not spray directly into  
animal's eyes.

For effective flea, tick and louse  
control, also spray kennel or  
sleeping quarters and surround-  
ing area thoroughly.

Repeat when necessary.
