Mr. Michael Chang  
Oakite Products, Inc.  
50 Valley Road  
Berkeley Heights, NJ 07922

Subject: Oakite Chlor-Tergent  
EPA Registration Number 1020-4  
Application Date: 3/16/04  
Receipt Date: 3/24/04

Dear Mr. Chang:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with the conditions listed below:

- To update the "first aid" statement in accordance with PR Notice 2001-1.

**Conditions**

- Revise the Precautionary Statements to read:  
  
"Corrosive. Causes irreversible eye damage and skin burns. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin or on clothing. Wear goggles, or face shield. Wear protective clothing and rubber gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse".
- Delete the (!) on the signal word "DANGER".
- In the "Ingredient" statement place the (Available Chlorine 4.25%) underneath the Inert Ingredients statement.
- Under the "First Aid" statement delete the word "Bactericide".
- Under the "First Aid" statement place the "Note to Physicians: Probable mucosal damage may contraindicate the use of gastric lavage" above the Environmental Hazards statement.

6. Place the company "address" on your label

CONCURRENCES							
SYMBOL	7510c	7510c					
SURNAME	dw	E. Mitchell					
DATE	5/25/04	5/26/04					

7. Under the "Environmental Hazards" statement revise the first sentence to read:  
This product is toxic to fish and aquatic organisms.
8. Change the word "Net" to read "Net Content".

**General Comments**

A stamped copy of the accepted labeling is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact Delores Williams at (703) 308-6372.

Sincerely,

Emily Mitchell  
Acting Product Manager 32  
Regulatory Management Branch II  
Antimicrobials Division (7510C)

**PRECAUTIONARY STATEMENTS**  
Hazards to Humans and Domestic Animals

**DANGER**

Highly corrosive. Causes skin and eye damage. May be fatal if swallowed. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Irritating to nose and throat. Avoid breathing dust. Remove and wash contaminated clothing before reuse.

**FIRST AID**

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if person is conscious. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

POISON CONTROL CENTER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, coasts or other water unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer system without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**PHYSICAL AND CHEMICAL HAZARDS**

Strong oxidizing agent. Mix only with water. Use clean, dry utensils. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter or other chemicals may start a chemical reaction with generation of heat, liberation of hazardous gases and possible generation of fire explosion. In case of contamination or decomposition do not reuse container. If possible isolate container in open air or well ventilated area. Flood with large volume of water if necessary.
