MKG CHLORDANE 20% OIL CONCENTRATE (FOR BLESS)

For Use by Pest Control Operators Only

Dilute with deodorized base oil to make Roach Spray

ACTIVE INGREDIENTS:	100
*Chlordane, technical	20%
Petroleum distillate	30%

\*Consists of 12, octachloro-7, 8, 11, 14-tetrahydroindane and 8 related compounds.

#### DIRECTIONS FOR USE

**IMPORTANT.** READ THESE ENTIRE DIRECTIONS AND CONDITIONS OF SALE, INCLUDING THE WARRANTY AND LIMITATION OF DAMAGES PROVISION BEFORE USING MKG CHLORDANE 20% OIL CONCENTRATE (FOR BLESS).

MKG CHLORDANE 20% OIL CONCENTRATE (FOR BLESS) weighs 7.225 pounds per gallon. It contains 2% of refined technical chlordane or 1.44 pounds per gallon. Dilute one gallon of MKG CHLORDANE 20% OIL CONCENTRATE (FOR BLESS) with ten gallons of a deodorized base oil, which weighs about 6 1/2 pounds per gallon, to make eleven gallons of roach spray containing 2% chlordane. Other refined base oils or other diluents may be used but require different dilutions depending on their weight. See table below:

To make a 2% chlordane spray solution, dilute one gallon of MKG CHLORDANE 20% OIL CONCENTRATE (FOR BLESS) with the amount of diluent as shown below:

Weight of Diluent in pounds per gallon	Quantity of Diluent	Quantity of Diluent
6.5	10.00 gallons	11.00 gallons
6.6	9.85 gallons	10.75 gallons
6.7	9.70 gallons	10.50 gallons
6.8	9.60 gallons	10.25 gallons
6.9	9.50 gallons	10.00 gallons
7.0	9.40 gallons	9.75 gallons

To make a 2% chlordane spray solution, dilute one gallon of MGK CHLORDANE 20% OIL CONCENTRATE (ODORLESS) with the amounts of diluents as shown below:

<u>Weight of Diluent in pounds per gallon</u>	<u>Quantity of Diluent</u>	<u>Quantity of Diluent</u>
6.5	10.00 gallons	11.00 gallons
6.6	9.85 gallons	10.85 gallons
6.7	9.70 gallons	10.70 gallons
6.8	9.60 gallons	10.60 gallons
6.9	9.45 gallons	10.45 gallons
7.0	9.30 gallons	10.30 gallons

This spray will have an insecticidal residual effective against roaches, crickets, silverfish and ants. To kill roaches, spray a 2% chlordane spray solution around baseboards, in cracks and crevices. For the residual control of roaches, crickets, silverfish, spray thoroughly the infested cracks and hiding places wetting the various surfaces frequented by these pests. Repeat treatment as often as necessary to maintain an effective deposit of the residual toxicant. To control ants, spray thoroughly infested cracks and hiding places paying special attention to ant trail and areas around door sills and window frames where these pests enter the premises. Repeat treatment as often as necessary.

## CAUTION

### KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Contact with skin may cause toxic symptoms. Irritating to skin and eyes. Do not get in eyes. In case of skin contact wash with plenty of soap and water. Do not breathe fumes or spray mist. Do not contaminate feed or foodstuffs. Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

This product is toxic to fish, birds and other wildlife. Do not contaminate any body of water with spillage, wastage, or equipment cleaning solutions.

Do not re-use empty drum. Dispose of drum through commercial drum reconditioning service, or destroy by perforation or crushing and burying in a safe place.

Do not pour or spill near open flame. Store in a cool dry place. Keep container closed. Mix well in drum before sampling and each use.

### NOTICE

CONDITIONS OF SALE. These Directions for Use, given above, reflect the opinion of experts based on tests of effectiveness, of toxicity to plants and laboratory animals, and of residues on or in food and feed under normal conditions of use. However, because of the wide range of conditions under which this product may be used, even though label directions are followed, it is impossible to eliminate all risks associated with its use because of abnormal conditions beyond the control of the seller, McLaughlin Corpley King Co., and the Seller hereby, and the Buyer agrees, this product subject to the understanding that the Buyer assumes all such risks.

**Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use. This warranty is the entire and exclusive warranty, express or implied, including any implied warranty of merchantability, for the particular purpose.**
