MCLAUGHLIN GORMLEY KING COMPANY, D/B/A MGK

Subject: Non-PRIA (Pesticide Registration Improvement Act) Labeling Amendment - Section 6(f) use  
deletion of human articles  
Product Name: PYROCIDE INTERMEDIATE 75-OF  
Admin Number: 1021-343  
EPA Receipt Date: 05/04/2023  
Action Case Number: 00481636

Dear Thomas Lennan:

The amended labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable.

This approval does not affect any terms or conditions that were previously imposed on this registration. You continue to be subject to existing terms or conditions on your registration and any deadlines connected with them.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one (1) copy of the final printed labeling before you release this product for shipment with the new labeling. In accordance with 40 CFR § 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR § 152.3.

Should you wish to add/retain a reference to your company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by EPA. If the website is false or misleading, the product will be considered to be misbranded and sale or distribution of the product is unlawful under FIFRA section 12(a)(1)(E). 40 CFR § 156.10(a)(5) lists examples of statements the EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the EPA find or if it is brought to our attention that a website contains statements or claims substantially differing from statements or claims made in connection with obtaining a FIFRA section 3 registration, the website will be referred to the EPA's Office of Enforcement and Compliance Assurance.

Your release for shipment of this product constitutes acceptance of these terms. If these terms are not complied with, this registration will be subject to cancellation in accordance with FIFRA section 6.

If you have questions, please contact Kaitlin Saunders via email at [saunders.kaitlin@epa.gov](mailto:saunders.kaitlin@epa.gov).

Sincerely,

A handwritten signature in black ink, reading "Elizabeth Fertich". The script is elegant and cursive, with the first letters of each word being capitalized and larger than the rest of the letters.

Elizabeth Fertich, Product Manager 4

## PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

## CAUTION

Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals.

### ENVIRONMENTAL HAZARDS

This product is toxic to aquatic organisms, including fish and invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA. Do not contaminate water when disposing of equipment washwaters.

### PHYSICAL OR CHEMICAL HAZARDS

Do not store near or use with oxidizing agents, such as potassium permanganate.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

PYROCID<sup>®</sup> INTERMEDIATE 75-OF may be used with suitable emulsifiers as a base for liquid grain protectants, for use in formulating aerosols, for applications in cannery and food processing establishments where the presence of base oil is objectionable because of possible food contamination, for emulsions that are oil-free, for use in fruit fly control, for use in meat packing plants, and for use on growing crops which are about ready to be harvested, where oil may be objectionable, such as lettuce and cole crops.

Only for formulation into a synergist for the following uses: Terrestrial Food, Terrestrial Non-food, Domestic Farm Animals, Agricultural Premises, Companion Animals, General Outdoor Insect Control, and General Indoor Insect Control.

Not for formulation into wettable powder end-use products (EUP), unless the EUP is packaged in water soluble bags.

Not for formulation into granular End-Use Products.

Not for formulation into an end use product for use in outdoor residential misting systems.

Formulated pet spray products must not contain more than 0.2% Pyrethrins or 10% PBO.

This product may be used to formulate products for specific use(s) not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA submission requirements regarding support of such use(s).

Mix well in drum before sampling and each use.

## STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Store in a cool, dry place. Keep container closed.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER HANDLING: Non-refillable container. Do not reuse or refill this container. Triple rinse (or equivalent) promptly after emptying and offer for recycling if available or reconditioning, if appropriate or puncture and dispose of in a sanitary landfill or by other approved State and local procedures.

**ACCEPTED**

09/15/2025

Under the Federal Insecticide, Fungicide  
and Rodenticide Act as amended, for the  
pesticide registered under  
EPA Reg. No. 1021-343
