TOXIC SUBSTANCES

Julie B. Schlekau  
McLaughlin Gormley King Company  
8810 Tenth Avenue North  
Minneapolis, MN 55427

Dear Ms. Schlekau:

Subject: MGK Repellent 326  
EPA Reg. No. 1021-461  
Submission dated 7/18/03

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. One copy of the finished labeling must be submitted prior to releasing the product for shipment.

According to the review dated 12/18/02, this product is category III for oral, dermal and eye exposure. Therefore the Precautionary Statements must read as follows:  
Harmful if swallowed or absorbed through the skin. Causes moderate eye irritation.  
Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.

In lieu of the statement "Formulators who use this product may be responsible for providing data to support their own registrations with the appropriate regulatory agencies," use one of the following statements from PR Notice 94-1:

"This product may be used to formulate products for specific use(s) not listed on the MP label if the formulator, user group or grower has complied with U.S. EPA data submission requirements regarding the support of such uses(s)." or

"This product may be used to formulate products for any additional uses not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA data submission requirements regarding the support of such uses."

If you have questions, please call Ann Sibold at 703 305-6502.

Sincerely,

*Ann Sibold*  
for Linda Arrington  
Acting Product Manager 10  
Insecticide Branch  
Registration Division (7505C)

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

## CAUTION

Harmful if swallowed, absorbed through skin or inhaled. Avoid breathing vapors or spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Avoid contamination of food or feedstuffs.

#### ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product  
in a manner inconsistent with its labeling.

For use in the manufacture of pesticide products for use in residential and indoor non-food areas only.

**NOTE:** MGK Repellent 326 may crystallize from exposure to temperatures below 70°F during shipment or storage. The drum may be filled with crystals or a layer of darker liquid over crystals. Warm drum gently to reliquify. Agitation and probing during warming will speed liquification. Do not heat above 120°F. Do not hold at elevated temperatures any longer than necessary. Agitate drum thoroughly before use. Mix well in drum before sampling and each use.

Please consult technical literature for specific manufacturing suggestions. Formulators who use this product may be responsible for providing data to support their own registrations with the appropriate regulatory agencies.

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

**STORAGE:** Store in a cool, dry place. Keep container closed.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent) and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other approved State and Local procedures.
