Minneapolis, MN 55427-4319

Dear Ms. Zielinski:

Subject: Label Revisions
EPA Registration No. 1021-754
Product Name: PYROCIDE Intermediate 6441
Application date: September 6, 2005

The labeling referred to above, submitted in connection under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable subject to the comments listed below:

1. The label states "Please Consult Technical literature for specific manufacturing suggestions." MGK must provide a copy of the technical literature with the finished label submission as described below for the file. Since MGK references this tech literature this will become a part of the label for review.
2. In accordance with PR Notice 94-1 you must revise the statement to read:
 - a) "This product may be used to formulate products for specific use(s) not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA data submission requirements regarding the support of such uses".
 - b) or "This product may be used to formulate products of any additional uses not listed on the MP label if the formulator, user group, or grower has complied with U.S. EPA data submission requirements regarding the support of such uses."

2/3

Pg 2 EPA Reg. No 1021-754

The copies of the finished labeling must be submitted prior to releasing the product for shipment. Enclosed is a copy of your label stamped "Accepted with Comments".

To expedite handling, please return a copy of the letter with your final printed labeling for review. If you have any questions contact Ms. Pat Quarles @ 703-305-6876.

Sincerely,

Richard Gebken
Product Manager 10
Insecticide Branch
Registration Division 7505

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid breathing vapors or spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Avoid contamination of food or feedstuffs.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Combustible. Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product
in a manner inconsistent with its labeling.

This product may not be used to formulate products for the following uses: 1) food producing livestock - direct applications to meat and dairy animals, treatment of occupied premises or when animal food or feed is present; 2) growing crops - edible crops and pre- and post-harvest sprays; 3) fumigated commodities; and 4) aquatic uses. This product is to be used with appropriate solvents, carriers, and in the case of pressurized products, propellents in the manufacture of insecticide sprays.

Please consult technical literature for specific manufacturing suggestions. (Formulators who use this product may be responsible for providing data to support their own registrations with the appropriate regulatory agencies.) 1021-1611 letter

Mix well in drum before sampling and each use.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store in a cool, dry place. Keep container closed.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other approved State and Local procedures.
