Attention: Ms. Julie B. Schlekau:

Subject: MGK® Dog & Cat Repellent Emulsifiable F-1770
EPA Reg. No. 1021-872
Your amended application of July 18, 2003

Purpose The purpose of this submission, under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is to revise the first aid text of your label in accordance with PR Notice 2001-1.

Label review The labeling submitted with the above letter, under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) is acceptable, provided you submit one (1) copy of final printed labeling to us, with the following changes, before you ship your product.

1. At your option, we suggest formatting your "FIRST AID" text as indicated in Enclosure 1.
2. Under "STORAGE AND DISPOSAL", add the following text, preferably centered:

Do not contaminate water, food, or feed by storage or disposal.

A copy of the stamped label is enclosed for your records.

Existing stocks Stocks of existing labels may be used for eighteen (18) months.

Consequence for non-compliance If this condition is not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of this condition.

Questions If you have questions about this letter, please contact me at 703-305-5407 (by phone), 703-305-6596 (by fax), or peacock.dan@epa.gov (by E-Mail).

Sincerely yours,

Daniel B. Peacock, Biologist
Insecticide-Rodenticide Branch
Registration Division (7504C)

FIRST AID	
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
IF IN EYES:	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment. For information regarding medical emergencies or pesticide incidents, call the International Poison Center at 1-888-740-8712.	

Under the Federal Insecticide, Fungicide and Rodenticide Act as amended for the pesticide registered under EPA Reg. No. 1021-872

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash thoroughly with soap and water after handling.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Only for formulation into the following uses: (1) registered, end-use repellents and training aids for use in indoor and outdoor residential areas to control dogs and cats, (2) uses for which USEPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration, and (3) uses for experimental purposes that are in compliance with USEPA requirements.

This product is to be used with appropriate solvents, carriers, and propellents (for pressurized sprays) in the manufacture of end-use products.

Please consult technical literature for specific manufacturing suggestions. Formulators who use this product are responsible for providing data to support their own registrations with the appropriate regulatory agencies.

This material solidifies at approximately 54° F. If received in cool weather, warm gently and agitate drum until all contents are liquid and uniform before use. Mix well in drum before sampling and each use.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Keep container closed.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other procedures approved by State and Local procedures.
