PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Combustible. Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Only for formulation into the following uses: (1) registered, end-use repellents and training aids for use in indoor and outdoor residential areas to control dogs and cats, (2) uses for which USEPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration, and (3) uses for experimental purposes that are in compliance with USEPA requirements.

This product is to be used with appropriate solvents, carriers, and propellents (for pressurized sprays) in the manufacture of end-use products.

Please consult technical literature for specific manufacturing suggestions. Formulators who use this product are responsible for providing data to support their own registrations with the appropriate regulatory agencies.

This material solidifies at approximately 54°F. If received in cool weather, warm gently and agitate drum until all contents are liquid and uniform before use. Mix well in drum before sampling and each use.
