DIRECTIONS

FOR REFORMULATING USE ONLY

To be used at the rate of 50% concentrate with a 50:50 ratio of dichlorodifluoromethane and trichloromonofluoromethane.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Do not breathe spray mist or fumes. This solution, if brought into contact with skin, can cause toxic symptoms. Avoid skin contact. In case of spillage on the skin, wash with soap and water. Avoid contamination of feed and foodstuffs.

NOTE TO PHYSICIAN: Sevin is a moderate, reversible, cholinesterase inhibitor; atropine is antidotal.

Agitate contents thoroughly before using. Do not store, pour or spill near open flame. If this container has been received or stored in below freezing temperatures, warm gently to room temperature (not above 120°F) and agitate thoroughly. Keep container tightly closed.

NOTICE

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
