DIRECTIONS FOR USE

Remove protective cap. Hold can at least 12 inches away, point valve in desired direction and press button to spray. Apply liberally to all exposed skin areas. To apply to face, spray on hands and rub on. Repeat when insects become annoying. For ticks and chiggers, also apply liberally to shoe tops, socks and around openings of clothing.

CAUTION (5 point)

Do not spray toward eyes or mouth. Avoid contact with plastics such as eyeglass frames and such fabrics as acetate rayon and Dynel.

WARNING! FLAMMABLE! Do not spray near fire or open flame. Contents under pressure. Do not place container on stove or radiator, or where temperature will exceed 120° F. Do not puncture or throw into fire.
