Note: Changes in labeling, differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or commendation of this product by the Agency. In order to protect health and the environment, the Administrator on his motion may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

EPA under the authority of section 3(c)(5) of the Federal Insecticide Fungicide and Rodenticide Act as amended has determined that all requirements set forth in the Reregistration Eligibility Decision for **Piperonyl Butoxide RED** have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of the Federal Insecticide Fungicide and Rodenticide Act as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

For the purpose of this Notice the last stamped accepted label dated **April 18, 2012** has incorporated the required mitigation language for the **Piperonyl Butoxide RED** therefore no additional labeling is required. Submit one (1) copy of final printed labeling. Products shipped after 12 months from the date of this Notice or the next printing of your label whichever occurs first must bear the new revised label.
