**PRECAUTIONARY STATEMENTS**

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**WARNING**

Causes eye irritation. Do not get in eyes. In case of eye contact immediately flush eyes with water for 15 minutes. Harmful if swallowed inhaled or absorbed through the skin. Avoid contact with skin or clothing. Avoid breathing vapors. Prolonged or frequently repeated skin contact may cause an allergic type skin reaction. Wash thoroughly with soap and water after handling this product. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

Flammable. Keep away from heat and open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product is to be refined and/or further processed or purified only. The manufacturing concentrate products that are made from this product, once it is refined or processed, will then be used to prepare products to be used in terrestrial food and non-food, greenhouse food and non-food, forestry, domestic outdoor, and indoor use patterns. These are uses for which the USEPA has accepted the required data and/or citations of data that the formulator has submitted in support of their registration; and uses for experimental purposes that are in compliance with the USEPA requirements.

Mix contents of drum well before sampling or use.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or animal feed by storage or disposal of this product.

**STORAGE:** Store in a cool, dry place. Keep container tightly closed.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA regional office for guidance.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent) and offer drum for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by other approved State and Local procedures.
